November Newsletter

Hello Lighthouse families, We had a fun filled month of October with many activities to welcome Fall. We had 'Prevent Blindness' organization come to do vision screening for ages 2 and up. This will help detect any vision problems early on time.

Halloween parade was so much fun to see our little ones walk/parade in the cute costumes. Thanks for all parents/grandparents who attended the parade and made it even more special! Fall party for 2 and up was a very treat full event. Thanks to all the parents who donated the treats for your child's classroom. They all enjoyed it. Fall Festival was a great hit with so many games, bounce house, a food truck and awesome costumes of children and parents. Thanks to the parents who participated in 'Trunk or Treat' while children enjoyed trick or treating.

We are looking forward to another month filled with fun activities for the whole family!!
