Note from the Director

- **We are very excited to start the new school year! We are preparing many great activities and are looking forward to implementing our fall curriculum in all of our classes.**
- **You will continue to see new faces joining your child's classroom each week as we continue to grow.**
- **Be on the lookout for a classroom specific newsletter that will be sent out giving you detailed information about your child's classroom from the previous and current month. The newsletters are complete with action packed pictures!**

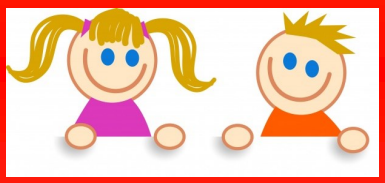
All About Me

We will be learning about what makes each of us unique and special. We will also explore family re-lationships.



Wild Animals and Pets

We will explore the differences between wild animals and pets. We will also be doing several classification and sorting activites.

Apples

Apples are a sure sign of fall approaching and school starting. We have several activities to explore apples to the fullest, including a taste test!

School Age Program

We will be exploring Our World this month. We will create our own passports, work on a scrap album and try some food and recipes from around the world.
