

LIGHTHOUSE NEWS

Fun in the Sun - Summer is Officially Here!

We can't believe summer is already here. With it being that time of year, (along with the heat!), we have so many "COOL" activities planned for the next 10 weeks. The summer activity fee of \$50 will be applied to your account the first week of June. This is for classrooms 3-7 & 10-16.

If you need a summer calendar, please let us know and we can send one to you via email, as well as put one in your child's backpack. This also applies for the sunscreen permission slip.

We have Kona Ice & Jeremiah Ice visiting us this summer! Our water days also begin the week of June 1st. In June, Autumn Oaks petting zoo, as well as the fire department are visiting our center. Our summer usually kicks off with Vacation Bible School week, however, VBS will be at the end of July. VBS includes rooms 6-9, 15-17 & 10. Even with all the changes and things being a bit different this year, we are still looking forward to having an amazing, safe & happy summer!

If you have any questions, please do not hesitate to call or email us.

Thank you!

VACATION BIBLE SCHOOL

Climb aboard for a mountain of fun at Rocky Railway VBS! A faith-filled adventure where kids discover that trusting Jesus pulls them through life's ups and downs. The week of July 27th is Vacation Bible School (VBS). This is for Rooms 6-10, 15, 16 & 17. This summer, the teachers will rotate between each class and present the different activities along the way. One

teacher will use music, one will tell Bible stories, one will create arts and crafts and so on. VBS begins at 9:00 a.m., so please have your child here by 8:45. VBS ends at 12:00 p.m., where the children will continue with their regular scheduled activities. We are so excited to learn about Jesus' power and how He always pulls us through!

There was an Old Woman Who Lived in a Shoe.

There was an old woman
Who lived in a shoe,
She had so many children,
And loved them all, too.
She said, "Thank you Lord Jesus,
For sending them bread."
Then kissed them all gladly
and sent them to bed.

HAPPY FATHER'S DAY!

For the month of June, we will be focusing on our parents. The biggest influence on what children learn, what they feel and how they react to the world around them are their parents. Teachers, extended family and friends are important, but the child's parents are the most influential teachers in their lives. Just by including them in simple tasks and reading to your child puts you, the parent, as their teacher. Get involved in your child's school and form a teacher-parent bond to help your child grow. By getting involved, you are helping influence your child's success!

Please remember to update your child's monthly feeding chart (for rooms 1 & 2) by the first day of each month, this will keep us updated.

Please remember to label all of your child's belongings (especially bottles).

Water days for room 3 this month will be on Wed. 6/3, 6/10, 6/17 & 6/24 so be sure to bring your child dressed in their swimsuit-don't forget a towel, water shoes and a change of clothes, including shoes and socks for after.

Thank you all very much and we hope you have a blessed month!

SCHOOLERS - ROOMS 8, 9 & 17

Well, this school year has been quite different for all of us, especially the kids! They did such an awesome job with their tele-learning experience, they adapted well to being here with not as many friends as usual and encouraged each other during this journey. We are so proud of them!

Our summer is officially beginning June 1st. Usually, we begin with Vacation Bible School, however, this year, VBS will be towards the end of our summer journey. Although we are not

venturing out on field trips this summer, the fun is venturing out to visit us! Kona Ice, Autumn Oaks Petting Zoo, Jeremiah's Ice, Hammer & Stain and some others special guests will be here.

There have been some awesome activities planned that fit perfectly with our X-STREAM summer themes, which are Jedi Camp, Superhero week, Creation Station and Rhythm & Moves. Please know that dates and times that have been scheduled are subject to change. We will notify you as soon as we know of any changes. We sent the summer calendar to you via Tadpoles. If you did not receive it, please let us know. Thank you. We are looking forward to an awesome, safe summer!
