FALLING FOR SUMMER

Our summer journey is coming along wonderfully! Each day, the children are learning all about different themes through art, music, science, books and of course, play.

Our Vacation Bible School week was awesome! The classes who participated had a blast learning about how to trust in Jesus

each day and to remember that when life is wild, GOD IS GOOD! Thank you to Ms. Mimi & Ms. Heather and to all of our teachers and volunteers for making it such an awesome week!

Fall folders will be given out this month. This folder contains very

important information, such as which classroom your child will be in for this upcoming school year, updated information on the center, an “important dates” notice, and much more. The folder has a keep and return side, which is labeled. We will send out a “Ready to Pick Up” notice when they are ready to be dispersed. If you have any questions or comments regarding the fall folders, please see the front office.

Thank you!

Special Dates of Interest

- July 4th — Center Closed

MARK YOUR CALENDAR!

SAVE THE DATES...

June has already come and gone and we have enjoyed so many awesome activities already. July is another exciting month with lots of visitors joining us each month. Our younger classes will enjoy a bounce house, Mad Science, Island Magik Art and Zoo Mom Science. Our school age children will have fun at King's Bowling, ICON Orlando, Astro Skate, Wonderworks, the movies and Crayola Experience! Please check with your child's teacher

for departure times and important information for each field trip. We appreciate all of our families arriving on time for the field trips, so far. We hope all of our Lighthouse families are having a fun summer!

Put August 1st on your calendar for our open house from 4-6 p.m. Please remember we are closed on Thursday, July 4th! Have a safe and happy fourth of July!

Character Development: Independence

"For you have been called to live in freedom, my brothers & sisters. But, don't use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love." Galatians 5:13

The Hokey Pokey

Everybody form a circle
Put your left foot in
Your left foot out
Your left foot in
And shake it all about
You do the hokey pokey
And turn yourself around

Now put your right foot in
Your right foot out
Right foot in
Then you shake it all about
And then you do the hokey pokey

That's what it's all about

INFANTS - ROOMS 1, 2 & 3

Theme: Inside & Outside

Color: Red, White & Blue

Shape: Octagon

Baby Sign: Hurt

Nursery Rhyme: This is My Turtle

Song: Hokey Pokey

For the month of July, we will be focusing on the concept of "Inside and Outside". We will do some fun activities and crafts, plus learn the baby signs for "inside" and "outside". This is also something our babies can learn at home with their parents and siblings too. It is a great way to reinforce what they are taught at school. Have fun!

Remember to check the calendar for any special and important events. We will be closed on Thursday, July 4th.

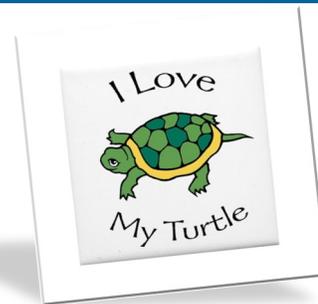

Also, please remember to label each of your child's items, that way they will not get misplaced. This includes pacifiers and all pieces of your child's bottles; since many are the same brand .

Ms. Michele's class has water day on Tuesdays or Wednesdays, depending on the week. Please refer to your summer calendar for other special dates. Please bring your child in their swimsuit, along with a towel, water shoes and sunscreen. Please make sure they have an extra set of clothes to change into. We would love it if all towels were labeled so they do not get misplaced. Thank you!

Have an excellent month!

Sincerely,

Ms. Bibi, Ms. Carmen, Ms. Danielle & Ms. Michele

Independence Day, commonly known as the 4th of July. Declaration of Independence July 4, 1776

TODDLERS - ROOMS 11 & 12

Theme: Water

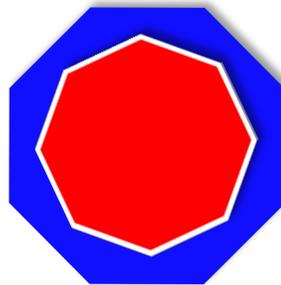

Color: Red, White & Blue

Shape: Octagon

Baby Sign: Hurt

Nursery Rhyme: Frog in the Pond

Song: Row, Row, Row Your Boat

The summer heat is already here . If you would like to bring a hat for your child to wear during our outside time, please feel free!

This month is full of activities, such as a Puppet Show, Zoo Mom Science, bounce house & Jeremiah's Ice.

A couple reminders :

- ◆ Please bring your child in already dressed in their swimsuit with water shoes on water day, which is Tuesday, unless otherwise specified in the summer calendar.
- ◆ Please bring a towel, sunscreen, a change of clothes and a change of shoes on water day. OH, and don't forget to label everything!
- ◆ Please check your child's folder on a daily basis. Also, please make sure to take all sheets and blankets home to wash every Friday and return them on Monday.
- ◆ We will be closed on Thursday, July 4th.

Ms. Doris, Miss Alisa

Independence Day

Background

During the American Revolution, the legal separation of the Thirteen Colonies from Great Britain occurred on July 2, 1776, when the Second Continental Congress voted to approve a resolution of independence that had been proposed in June by Richard Henry Lee of Virginia declaring the United States independent from Great Britain. After voting for independence, Congress turned its attention to the Declaration of Independence, a statement explaining this decision, which had been prepared by a Committee of Five, with Thomas Jefferson as its principal author. Congress debated and revised the wording of the Declaration, finally approving it on July 4. A day earlier, John Adams had written to his wife Abigail:

The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more.

Adams's prediction was off by two days. From the outset, Americans celebrated independence on July 4, the date shown on the much-publicized Declaration of Independence, rather than on July 2, the date the resolution of independence was approved in a closed session of Congress.

Historians have long disputed whether Congress actually signed the Declaration of Independence on July 4, even though Thomas Jefferson, John Adams, and Benjamin Franklin all later wrote that they had signed it on that day. Most historians have concluded that the Declaration was signed nearly a month after its adoption, on August 2, 1776, and not on July 4 as is commonly believed.

In a remarkable coincidence, both John Adams and Thomas Jefferson, the only signers of the Declaration of Independence later to serve as Presidents of the United States, died on the same day: July 4, 1826, which was the 50th anniversary of the Declaration. Although not a signer of the Declaration of Independence, but another Founding Father who became a President, James Monroe, died on July 4, 1831, thus becoming the third President in a row who died on this memorable day. Calvin Coolidge, the 30th President, was born on July 4, 1872, and, so far, is the only President to have been born on Independence Day.

2's - ROOMS 5 & 13

Summer Themes: Ecology, Hydrobiology & Zoology

Our two year old classes are having a ball learning all about the different themes! Last month, the children learned about meteorology and beginning the exploration into ecology. They enjoyed the bounce house, Autumn Oaks Petting Zoo and Mr. Richard! They will continue to use arts and crafts, numbers and letters and music and movement to explore these themes.

We are closed on Thursday, July 4th. Our water days are listed on the summer calendar, so please bring all the necessary items for those fun days. We have a puppet show, Zoo Mom Science and Magik Island

Fun coming to visit in July.

Ms. Mayra, Ms. Loala, Miss Kaydee & Miss Haley

3's - ROOMS 14, 15 & 16

Summer Themes: Ecology, Hydrobiology & Zoology

The kids had so much fun during Vacation Bible School last month! They learned all about Jesus and the hope we have in Him, the courage He gives us and that when life is wild, GOD IS GOOD!. They enjoyed going from class to class doing different projects, learning new songs and stories from the bible. Way to go, everyone for a fantastic week!

Our three year old classes are having a ball learning all about different themes! Last month, the children learned about meteorology, enjoyed the bounce house, Jeremiah's Ice, Mr. Richard and water days. They had lots of fun talking about what kind of weather we have in Florida and in other states, we enjoyed having an umbrella toss, creating arts and crafts and more. In July, the three's will be learning about ecology, hydrobiology & zoology. They will continue to use sensory activities, numbers and letters, music and movement to learn about these great themes.

We are closed on Thursday, July 4th. Our water days are listed on the summer calendar, so please bring all the necessary items for those fun days. We have Mad Science, Zoo Mom & a puppet show, bounce houses, Kona Ice and Jeremiah's Italian Ice coming to visit us this month. If you have any questions, please let us know! If you need a sunscreen permission form, please see the front office. Have a wonderful fourth of July weekend!

Sincerely,

Ms. Charkell, Ms. Janada, Ms. Rosie, Ms. Tonya, Ms. Amy & Miss Rebecca

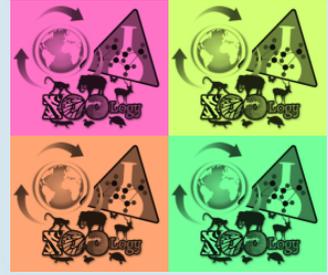

4's - ROOMS 6, 7 & 10

Summer Themes : Ecology, Hydrobiology & Zoology

The kids had so much fun during Vacation Bible School last month! They learned all about Jesus and how when life is wild, GOD IS GOOD! They enjoyed going from class to class doing different projects, learning new songs and stories from the Bible. Way to go, everyone for a fantastic week!

Last month, the children learned about meteorology, enjoyed the bounce house, Jeremiah's Ice, Mr. Richard, Autumn Oaks Farm and water days. They had a blast during their special visit from meteorologist Samara Cokinas from Channel 6 News. In July, they will be learning about hydrobiology, zoology & ecology. We have another special guest visiting us in July. Her name is Ms. Johanna and she is an ecologist. She will be sharing her knowledge with our children on what it is like to be an ecologist, what is studied, what is so cool about it! They will continue to use arts and crafts, numbers and letters, music and movement and group activities to learn about these great themes.

Please check our summer calendar for your scheduled water days.

Our center is closed on Thursday, July 4th.

Miss Jenna, Ms. Sheryl, Ms. Shantel, Ms. Suzanne, Ms. Kris & Miss Daijha

"Please bring your child in already dressed in their swimsuit with water shoes & towel on water day, which is specified in the summer calendar."
