

# December, Newsletter,

Dear Parents,

December is a month that we at CLLC happily look forward to. In this busy month, we enjoy talking about all the holidays that our little ones celebrate.

We talk about families, friends, love, giving and sharing. We are lucky to have families from a variety of different cultures/religions who celebrate different holidays. It is so wonderful for us to be able to share our holiday traditions and to learn and appreciate our likenesses and differences. It is also nice for us to talk to the children about giving to other families who don't have as much as we do. The children will also be practicing for our holiday program. Please refer to your December calendar for the time of your child's party. Please don't put any pressure on your child to perform. It is not unusual for preschool children to become anxious about performing in front of people, and that is okay. If your child expresses any anxiety about performing, please reassure him/her that s/he doesn't have to perform. You may find that without any added pressure that your child may change his/her mind. All of us at CLLC wish you and your family a very Happy and Healthy Holiday season!

*Loves Millie L.*
