

Dear Parent/Guardian,

Welcome to Children's Lighthouse of Grand Mission and thank you for choosing our school! Please take a moment to look over all the information provided to you in this enrollment packet.

We understand that there are a lot of forms to fill out and this can be time consuming. However, you must have every form in this packet completed and turned into a member of our management team on or by your first day.

The forms in this packet include the following:

- O Enrollment Form: Please sign all areas on this form where it is indicated. Each item is very important and either provides you with information from us or provides us with information about you and your child. If something is not applicable for your child just put 'NA'.
- O Physician's Recommendation and Health Statement. This form meets ADA requirements and gives us information on if the ratio for their age group is appropriate. In addition, our school is able to determine if the child's needs can be met.
- O Allergy Alert and Action Plan: If your child has a physician diagnosed allergy, please provide this form completed by your child's physician. Your child's allergy information will be posted in both the kitchen and the classroom. Please discuss medication procedures with your school director (such as epi pen or inhaler).
- O Infant Care Instruction Sheet: (If applicable) This form is used for infants in order to serve each infant's feeding needs in an individualized manner.
- O Parent Handbook Acknowledgement of Receipt: please provide the signed acknowledgement that you have received a printed or electronic copy of the handbook for personal reference.
- O Addendum to the Handbook: please sign agreeing to the additional policies in our Handbook
- O Tuition and Enrollment Agreement & Tuition Express Form: please read carefully and sign, as this is your financial contract with us and outlines all relative fees. Ask your School Director if you have any questions or need clarification on any part of the contract.
- O School Specific Information: please read over the specific information regarding the Grand Mission location and please sign the form
- O Food Restrictions: this form will provide us the information needed when serving meals to your child. Please complete and sign.
- O Immunization Records: please provide us with your child's current shot records.
- O All About My Child: please complete the entire form so we can provide the best care for your child
- O Tuition Express: please add your Credit Card or Checking Account Information to this form. In September, we will add a 3% processing fee to all Credit Card transactions. Automatic withdrawal from your bank account is free.

Thank you so much for providing these forms to us before your first day. It will be your responsibility to keep us informed of changes to your information as it occurs. **Enrollment Information Update** forms are available at the front desk.

#### **Indoor and Outdoor Physical Activity:**

Our School takes a proactive approach to helping children stay physically active. In each classroom, there are activity areas set up to encourage physical activity. Physical activity occurs in each classroom during structured and unstructured time. We also promote large motor development outdoors. We spend time outside each morning and each afternoon, as the weather permits. While outdoors, children have ample opportunity to do moderate to vigorous activities such as running, climbing, dancing, skipping, jumping, to the extent of their abilities. They are encouraged to participate in group games that are physically active and that help develop their gross motor development and social skills.

Our playground environment sparks the children's imagination and serves as an integral part of physical development. Physical activity and exercise are encouraged to teach a healthy lifestyle. The equipment on the playground is safe and is inspected regularly by our teachers and School Director to help ensure it remains that way. Our separate play areas keep similarly aged children together, which helps ensure each child's safety.

Each day our School offers all children the ability to participate in:

- Two occasions of active play outdoors, as the weather permits.
- Two or more structured or teacher-led activities or games that promote movement over the course of the day.
- Continuous opportunities to develop and practice age-appropriate gross motor and movement skills.

Infants birth through 12 months will be given opportunities for outdoor play for an amount of time as tolerated by the infant. Physical activity opportunities are available indoors, including supervised tummy time.

Infants 13-17 months and Toddlers will be given opportunities to engage in outdoor play for a minimum of 60 minutes of moderate to vigorous active play each day.

Preschool, Pre-K, and APK children will be given opportunities to engage in outdoor play for a minimum of 90 minutes of moderate to vigorous active play each day.

School-Age children who are in attendance for a full day will be given opportunities to engage in outdoor play for a minimum of 90 minutes of moderate to vigorous active play each day. School-Age children who are only in attendance during our afterschool program will be given opportunities to engage in outdoor play for a minimum of 30 minutes of moderate to vigorous active play each day.

#### <u>Weather</u>

We ask that parents send their child in weather appropriate attire each day to ensure they are comfortable for outdoor play. Please refer to our School Parent Handbook for detailed information on how weather is assessed to determine safe outdoor play.

## As Of March 2, 2022

- Children's Lighthouse of Grand Mission hours of operation are 6:00am to 6:30pm. We
  do have a cut off time at 9:00 am to receive children. However, if there are any
  extenuating circumstances such as medical appointments, please let a member of
  Management know in advance and we can approve a later drop off time.
- All children that are four-years old by September 1<sup>st</sup> of the year must submit a vision and hearing screening within 120 days of enrollment.
- Our program uses a proprietary curriculum which is based on intellectual development, healthy social and emotional growth through character values. Our teachers provide written documentation throughout the years to communicate with parents on their child's growth and development.
- Suspension and Expulsion Policies: We will take all measures to avoid suspension and/or expulsion. Individual behavioral incidents will be documented and communicated with parents on an on-going basis. Parents are notified in writing and, when needed, a conference will be scheduled to discuss their child's behavior. In certain situations, parents may be encouraged to seek professional support and services. Professional support service contacts will be provided to the parents. At times, parents may be asked to pick up their child and keep him/her home the following day to work on behavior issues. If behavior is not corrected, as a last resort, a notice of termination of services will be given unless there is a safety risk. We reserve the right to terminate services if we cannot meet the social, emotional and safety needs of the child and/or due to aggressive and/or unsafe behavior exhibited by the child.
