## Employee of the Month

Miss Nia from room 6 exemplifies what it means to be PS3 teacher. She is kind and steady, yet knows how to be silly with her students. She treats every child with the respect and admiration they deserve. Join me in congratulation Ms. Nia. 🎉

Questing Studio Lesson Plan	Community Challenge		Character Value		
	<b>Read All About It</b> This month we will be collecting very gently used books for the children in our community. What does gently used mean? It would be a book in great condition that isn't torn, missing pages, or marked in. These are the books we can be proud to pass on to others in our community.		<b>Diversity</b>
