Infants & Toddlers This

During the month of April, the Infant and Toddler rooms will focus on the color **White** and the oval shape. They will learn and sing the song "We Planted a Little Seed" together. Their sign and word in Spanish of the month is "butterfly."

A fun activity to do as a family is an egg hunt! This is a fun way to spend some time together. To add another level, you can draw shapes, colors or numbers on the eggs – then your child can identify each egg they find and even sort them into categories!
