Infants & Toddlers This Month

During the month of May, the Infant and Toddler rooms will focus on the color **gray** and the triangle shape. They will learn and sing the song "Five Little Speckled Frogs" together. Their sign and word in Spanish of the month is "dog."

This month has a focus on animals, a great opportunity for families to incorporate themes into home life is naming animals! Naming pets, seeing birds on nature walks, or even on TV, it is a great way to have your little one engage and can even be a fun game!
