Craft Corner

Pom Pom Caterpillars

This adorable pom pom caterpillar craft is a perfect spring craft for preschoolers.

With just a few pom poms and one of our leaf templates, you can create a whole bunch of cute, tiny caterpillars to play with and decorate the room with.

April Family of the Month – The Underwoods

The Underwood family has been with the Children's Lighthouse since July 2023. Avery & Karsyn love their school very much. The teachers, staff and friends they have made have all been so wonderful. A few of our favorite activities include: swimming, visiting parks, hanging out with family & friends. Our family also enjoys rescuing & fostering animals in need. Currently, we have a foster named Harper. We feel so honored to be family of the month & look forward to another wonderful year with The Children's Lighthouse.

Teacher of the Month for April & 1 yr Anniversary

*Congratulations to Ms. Tori
Kitchen Manager*
