

Lighthouse Beacon

April 2025

Director's Corner

Spring has sprung! April is here and we are enjoying the beautiful spring weather. We have been taking curriculum outside and getting some hands-on opportunity to experience nature. It's such a great time to be outdoors!

This month is off to a fast start! We are preparing for our eX-S.T.R.E.A.M. Summer Adventure Camp, 2025 Graduation, and so much more! Don't forget to mark your calendars so you don't miss out on any special activities or events.

We are starting to plan for our Fall 2025/2026 school year! We will start collecting annual curriculum fees as soon as 4/7/2025. **If you pay your curriculum fee between 4/7/2025 and 5/16/2025, you can save \$10.00!** Take advantage of the savings by paying this fee and guaranteeing your child a spot on our Fall 2025-2026 classroom rosters!

It has truly been an incredible honor to be a part of your children's early education and to be embraced as a member of the Lighthouse Family over all these years. This school, along with the wonderful families and children, has been such a significant part of my life for the past 17 years. Watching your children grow, as well as witnessing the growth of the families, has been one of the greatest joys of my time here, and it's something I will deeply miss. Leading this school has been such a fulfilling experience, and it has been my sincere privilege to be a part of it all. I have full confidence that the school will be in good hands under Ms. Julie and Ms. Brittney's continued leadership!

Below is a breakdown of the monthly focus. To continue the extension of learning at home you can practice using the sign language word and point out the colors and shapes in your child's world.

Rooms 1,2, & 3

Theme: Spring Things
Sign: Butterfly
Shape: Oval
Song: We Planted a Little Seed
Color: White
Finger Play: Grow Little Seed

Room 4

Theme: Spring Things
Sign: Butterfly
Shape: Oval
Song: We Planted a Little Seed
Color: White
Finger Play: Grow Little Seed

What you'll need:

- cardboard
- white paint & brushes (optional)
- yarn in desired colors, we used white + blues and whites + rainbow.
- facial features – googly eyes, yarn (optional)
- pom-pom maker (optional)
- scissors
- pencil
- a little glue (depending on which yarn wrapped cloud you make)

Directions:

- Take your cardboard and roughly sketch out a cloud.
- Cut out your cloud.
- If you wish paint your cardboard white (or grey or blue or pink).
- Cut some little "nicks" all around your cloud, to help position your yarn as you go around.
- Tie a piece of yarn to the cloud and start wrapping.

For the rainbow, we used some left-over card and cut out a long thin rectangle, a little shorter than the cloud is wide.

Then cut approximately 60cm strands of yarn:

- 4 reds
- 4 oranges
- 4 yellows
- 4 greens
- 4 blues
- 4 purples

Fold the yarn in half to make a loop at one end.

Place the loop under the thing rectangle.

Push the two loose ends through the loop and tighten. To make a simple knot!

Repeat with all the colors.

Trim if you wish!

This month our classrooms will focus on the character value of RESPONSIBILITY! Taking responsibility is not just about how the choices your child makes affect him/her, but also how their choices and actions affect others. Being responsible can help your child feel important and like he/she is contributing to both the family and the community.

Rooms 5-9

Theme: Spring and Life Cycles
Science Focus: Insects and Amphibians
Character Value: Responsibility

We are excited and ready to start completing our challenges for the new month. Some of the monthly quests are listed below and we even have some fun Easter themed challenges!
