

APRIL NEWSLETTER

Hello Families

As April arrives, it's a perfect time to welcome the vibrant energy and renewal that spring brings.

With longer days and warmer weather, nature flourishes, offering our families abundant opportunities to enjoy the outdoors together. April is also marked by special celebrations and moments of reflection, like Easter and Earth Day, which allow us to connect with the children and the environment.

This is a wonderful opportunity to engage the kids in activities that promote growth, learning, and an appreciation for the world around us. Whether it's planting a garden, having a picnic, or simply taking a stroll in the park, April encourages us to create cherished memories and appreciate the beauty of the season.

Warmly,
Ms. Patricia

Reminders

A monthly calendar in the foyer at the sign-in area highlights upcoming events. Take a copy to stay updated and manage your schedule. Feel free to ask any questions.

Ch-Ch-Ch-Ch-Changes

Moving to new classrooms is an exciting adventure for teachers and students. It allows teachers to grow within the program and the ability to create a fun learning space, while students enjoy a fresh environment. Adjustments can be made smoothly through collaboration, enhancing curiosity and engagement.

Classroom 2: Ms. Hailey

Classroom 3: Ms. Jennifer

Lessons & Learning

It sounds like an exciting month of learning is ahead in your child's classroom! By taking a moment to stop by and check the lesson plans posted at the classroom door, you'll get a glimpse of the diverse and engaging activities planned. This month, the focus is on Spring, a season full of renewal and growth. The curriculum includes fascinating topics such as baby animals, the process of raising chickens, and understanding how plants grow, offering a comprehensive dive into the world of farming. Additionally, students will have the opportunity to explore the intriguing life cycles of amphibians and reptiles, enhancing their understanding of biology. Role-playing activities and practical life skills will further enrich their learning experience, encouraging creativity and real-world application. Taking a snapshot of the lesson plans can serve as a handy reference to keep up with the classroom adventures and support your child's educational journey.

Buzzy the Honeybee

Each month, we have a character value friend to focus on character growth. This month, Buzzy the Honeybee is teaching children about responsibility. Teaching responsibility to young children is vital for their growth into capable adults. It helps them understand accountability, manage tasks, and develop self-esteem. Responsibility fosters independence, critical thinking, and empathy, encouraging them to contribute positively to their surroundings. These skills benefit them throughout life.

We Appreciate You!

We sincerely appreciate the trust you've placed in us by entrusting your children to our care. Your confidence in our ability to nurture, educate, and support your children's growth means the world to us. We are committed to creating a safe and enriching environment where each child can thrive and reach their full potential. Thank you for allowing us to be a part of your child's journey; it is both an honor and a privilege. We look forward to continuing this partnership and watching your children blossom under our guidance.
