

Looking back at March

Last month, we learned about the Character Value "Humor." The children learned about Farm Animals, Fruit, and Vegetables. The children tried new foods and discovered new tastes and textures. The Infants and Toddlers explored the color green with their fingers and toes! All the classrooms were able to enjoy a few walks on the sunny days.

Infants and Toddlers

This month, Infants and Toddlers will learn about the Oval shape, the color Purple, and the sign "Water." Infants will explore cool and warm toothpaste in sensory bags, as well as paint with water, and feathers. The Toddlers will learn about construction by exploring mud and sand.

C.A.R.E.S. Curriculum

Character Value

Our Twos through Preschool will spend time learning about Life Cycles, Insects, Frogs, and Toads. They will discuss the different kinds of insects and learn Spanish words and signs for Frog, Bee, Butterfly, and Bug.

La Rana = Frog

La Abeja= Bee

La Mariposa= Butterfly

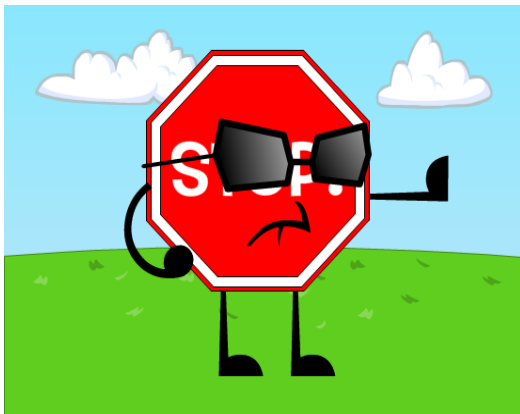

El Bicho = Bug

Important Upcoming Dates

- *Annual Curriculum fee is due on April 15th.
- *Teacher Appreciation Contest April 1st-30th (See last page for more information)
- *New Enrollment forms will be sent out during the week of April 15th.

Important Reminders!

We are a Nut Free Facility!

The weather is changing so please make sure your child has weather appropriate clothing. Now that the weather is nicer, children will be going outside daily.

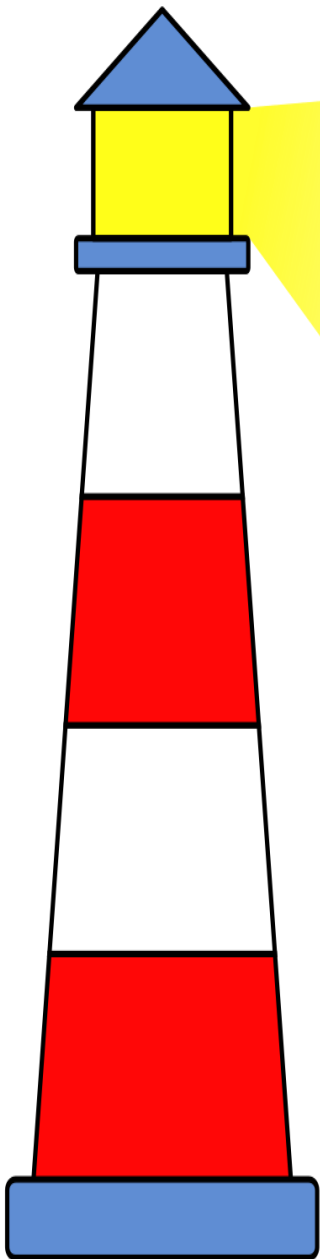

Easter Egg Hunt fun!

A fun at home activity is an Egg Hunt. You can take plastic eggs and write numbers, shapes, and letters. Hide them around the house or outside. This will promote letter identification, numeracy, and shape recognition. Great for ages 3 and up.
