IMPORTANT INFO

Seasons are changing! Please ensure you have the appropriate clothes for your child!

Please make sure that you are not sending ANY toys/gadgets/personal items from home. This causes a disruption in the classroom and can cause students to fight over items. Thank you!

A Note From the Director

Dear Parents,

Happy April! April is a bit of a calm month for us before we ramp back up in May! We are excited about all of the fun scheduled events for April! We will be starting off with the Egg Hunt and Book Fair! I am thrilled to be watching each of the students growing and learning! None of which would be possible without our AMAZING teachers!

Warmly,
Dakota Romo
School Director

Brains in Bloom

Preschoolers also thrive on routine and consistency, which helps them feel safe and confident as they try new things. Activities like storytelling, pretend play, art, and hands-on learning aren't just fun—they're critical for developing problem-solving skills, creativity, and independence.
