This month we celebrated Dr. Seuss by participating in Crazy Hair Day, and we enjoyed playing with the texture of red gelatin and consuming it as well. We painted with Kool-Aid and sprinkled baking soda to see Kool-Aid fuzz up, which was very cool to see for our class. Everyday room 3 interacted with the texture board and had so much fun! News

During this month we had a blast trying and learning about different types of fruits and vegetables. Children were amazed to know where food comes from and know that most of them come from the farm. Our friends had so much fun playing with farm animals and pretending to be farmers. We had fun creating St. Patrick's crafts and more. Overall, this month was super fun, but we are ready to hop into April, and soak up some more knowledge!

News

In the month of March, the class truly enjoyed celebrating Dr. Seuss! APK is doing amazing on their reading, and we are proud of the students that read a Dr. Seuss book! Some of our activities involved cooking, like our Cat in the Hat pizza, and making our wacky fruit punch. We are also preparing for graduation, time flew right by us. Until then we will enjoy the showers that April bring us!

News

Our school age friends had several discussions in the month of March. We learned more about the country above us known as "Canada", and created it's flag. We also learned about different types of plants and read books about them. The class dove into discussion of Native Americans, and the purpose of citizenship. The most exciting week was spring break, where we traveled to Clay Casa to make creative tiles, and to Orsinger Park to have a blast at the park! Our friends did so much this month, but ready to conquer the month of April!
