April 2026

Character Value of the Month:

This month's theme is "Responsibility." With the help of our character value friend, Buzzy the Honeybee, students will learn about when they show responsibility by helping others, cleaning up, and doing what they say they will do.

Buzzy the Honeybee

Responsibility • Germany • Europe

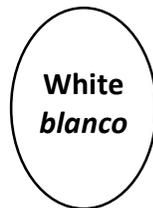

Buzzy lives in Germany in a place called a hive. All the bees in the hive have jobs and are responsible for helping to take care of their home. You can always count on Buzzy to do a good job.

You Can Count on Us

This month in the Bright Classrooms, our theme is "Spring Things!" Our infants will explore spring through hands-on activities, music, and movement. They will be introduced to the color white and the oval shape all while building early language, motor, and discovery skills. Children will also explore nature through discovery experiences, helping grow their curiosity about the world around them.

Butterfly *la mariposa*

This month in the Cares Classrooms, children will explore the wonders of spring through hands-on science activities, art projects, and sensory experiences focused on life cycles, insects, and amphibians. They will observe how plants and animals grow and change, building curiosity and critical thinking skills. The feature book *ABC in the Dirt* by Eric Carle will inspire their exploration and connection to the world around them.

Employee of The Month:

We are so excited to recognize Ms. Lillian as our April Employee of the Month! 🌸

Ms. Lillian has been a rock star since day one, bringing so much joy and energy into the classroom. The way she connects with the children, earns their trust, and makes them laugh with her silly jokes truly stands out and creates a warm, welcoming environment for everyone. She brings patience, care, and a genuine love for what she does, and it shows in the relationships she builds each day. We appreciate your hard work and everything you do, Ms. Lillian—you make every day brighter!
