

August News

Dear Families,

Summer has been **GREAT!** The children have been having a good time with all the field trips, visitors, cooking projects and splash days.

July was a busy and fun month. The children discovered Science through **Archaeology, Paleontology, Oceanography, and Geology**. We made **Fossil Cookies**, discovered **Geos**, and erupted **Volcanoes**.

In August, we have more fun planned. The children will make space ships, enjoy **Snow Cones**, learn about **Astronomy**, and experiment with **Chemistry** with a special guest presenter!

We are also getting ready for **Back-to-School**. Be sure to let the office know what school your child will be attending, and your transportation needs.

I hope you will be able to join us and your children for some of the fun we have planned.

Shannon Maddasion / Campus Director

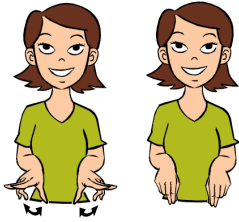

Upcoming Events this Month

Childrens Lighthouse's 5 Year Anniversary	5th
Childrens Lighthouse's 5 Year Anniversary Celebration	6th
Open House 6:30-7:30pm	21st
Annual Curriculum Fees Due	27th

August Curriculum News

Infants & Young Toddlers Curriculum Overview: Rooms 1, 2, & 3

This month we will be learning about “**Open/Close**”

We will focus on the shape **oval** and the color **blue**

We will be singing “**Good Morning to You**”

The Sign Language focus word for this month is: **diaper**

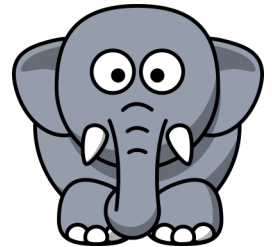

Toddlers Curriculum Overview: Room 4

This month we will be learning about “**Big Animals**”

We will focus on the shape **oval** and the color **blue**

We will be singing “**Did You Ever See?**”

The Sign Language focus word for this month is: **diaper**

Twos' through Five's Curriculum Overview

The Two's, Three's, & Four's are participating in our separate, fun-filled, *Magical Science Summer* curriculum while continuing to review the regular C.A.R.E.S. curriculum they studied during the school year.

Therefore, while the children will be learning about **astronomy**, **chemistry**, and **meteorology** this month, they will still continue to review important academic concepts to better prepare them for the upcoming school year.

Letters of the Month: Yy, Zz & Aa

School-Age Curriculum Focus

Join us as we discover the world of science this summer with our fun-filled academic based *Magical Science* curriculum! The children will make galaxy bottles when discovering **astronomy**, grow gummy bears while studying **chemistry**, and create solar ovens during **meteorology** week.

In addition to the fun activities, we will have a special visitor weekly, splash days every week, and the School Age children will attend field trips twice a week.

Join us for a fun-filled month!

School News

The Childrens Lighthouse Fairfield is turning 5 on Sunday, August 5th! Celebrate w/Us Monday, August 6th!

**A special thanks to the owners, Randy and Sandy Craft, and our lighthouse families who have made another year wonderful!*

Please join us for **Open House** on Thursday, August 21st from 6:30-7:30pm. Come meet the teachers and explore the curriculum for the upcoming school year.

**Refreshments will be provided.*

Now Accepting Fall Curriculum Fees

Pay the fall curriculum fee to reserve your child's spot for the upcoming 2018-2019 school year.

**Curriculum fees are due August 27th*

Bus Transportation

All families, new and current, that will need transportation to and/or from public school this fall, please sign-up on the Bus Rosters.

**Bus Rosters are located in the lobby.*

Tuition Reminders

Tuition is due on Monday for the current week. A late fee of \$25.00 will be added to your account on Wednesdays if it is not current. Additional late fees may be applied on Thursdays.

If your account is not current by Friday each week, we will be unable to continue care.

Refer-A-Friend Program

Earn a **free week of tuition** when you spread the word about your child's school! See the office for details!
