

August Newsletter

Hello Lighthouse families, we hope you all had a great month of July and are enjoying the summer weather. Children are enjoying the splash time with their friends. Thanks for the families who came for the family picnic. I was great to see all of you.

Kona Ice is always a hit for the children and the teachers. Something sweet to cool down during this hot summer. Children dress up during our 'Royalty Party' was a great hit. It's always great to see the children dolled up and enjoy each others company. What a great way to end the month with Kathi the clown with an awesome dino show which had children laughing and giggling

Please make sure your child has weather appropriate and right size clothes in their cubbies. Make sure to have close toes sandals to avoid tripping.
