## Director's Corner

Dear Parents:

The fall school year is quickly approaching! The teachers and I are already planning for a fun and exciting new school year.

We would really like for all of our families to plan on coming out on August 18, 2017 from 6:45-8:00 PM for our Meet the Teacher Night. This night will be filled with lots of information you will need to know for the year. This will be a great time to meet all the staff from our extra curricular activities and to learn what their programs are about. If you have any questions, concerns, or comments please know that my door is always open!

We appreciate you!
