

Young Navigator

August 2019

August is finally here! We are sad to see the end of summer but it will also be the start of a new and exciting school year. That means that our End of Summer party will be happening soon on the 9th and our Meet the Teacher night is on the 22nd. Party sign up sheets for the End of Summer party will be up soon, so please look at your child's classroom door to sign up for a food or beverage item. Flyers for our Meet the Teacher night will be posted soon as well. This is an important night where the teachers will be going over expectations for the classroom so we are asking for this event to be parents/guardians only. Last but not least, this year we will be hosting our first "**Back to School BBQ**" on the 31st from 11am until 1pm. We would love to see everyone come out for this event. The children should be well settled into their new classrooms and this is a great opportunity for the parents to get to know each other as well. We love to involve the community in all our events so if you have a business that would like to sponsor a portion of this event, please contact Ms. Anna.

I would like to also mention that we are sad to see a few of our family members move on as they further their careers. Ms. Jessica has accepted a position in a school district and her last day will be on August 16th. She has flourished in Room 1 and we will miss the love she has had for every baby she has come across. Ms. Jasmine will continue at Bush High School as of August 5th. She returned to us this summer and we have been greatly appreciative of all her help with Room 10. We wish her a successful school year and can't wait to hopefully see her again next summer! Last but absolutely not least, Ms. Emily is also furthering her career as an educator and has accepted a position in the district. She has been a strong pillar of support for us as part of our management team and will miss her and her bright personality. We are blessed to have them as a part of our family but are proud to see them grow and move on.

Thank you for always being so supportive, we would not be able to have such a successful center without everyone coming together as a family.

<i>Three's</i>	<i>3</i>
<i>Four's</i>	<i>3</i>
<i>Pre K</i>	<i>3</i>
<i>APK</i>	<i>3</i>

August 2019

Combs Family

Family of the Month

Thank you Combs family for allowing us to watch over A'myracle as she has grown through our center starting in Room 5. We have loved having your family a part of ours and appreciate your continued support.

**AUGUST
2019**

Ms. Briana

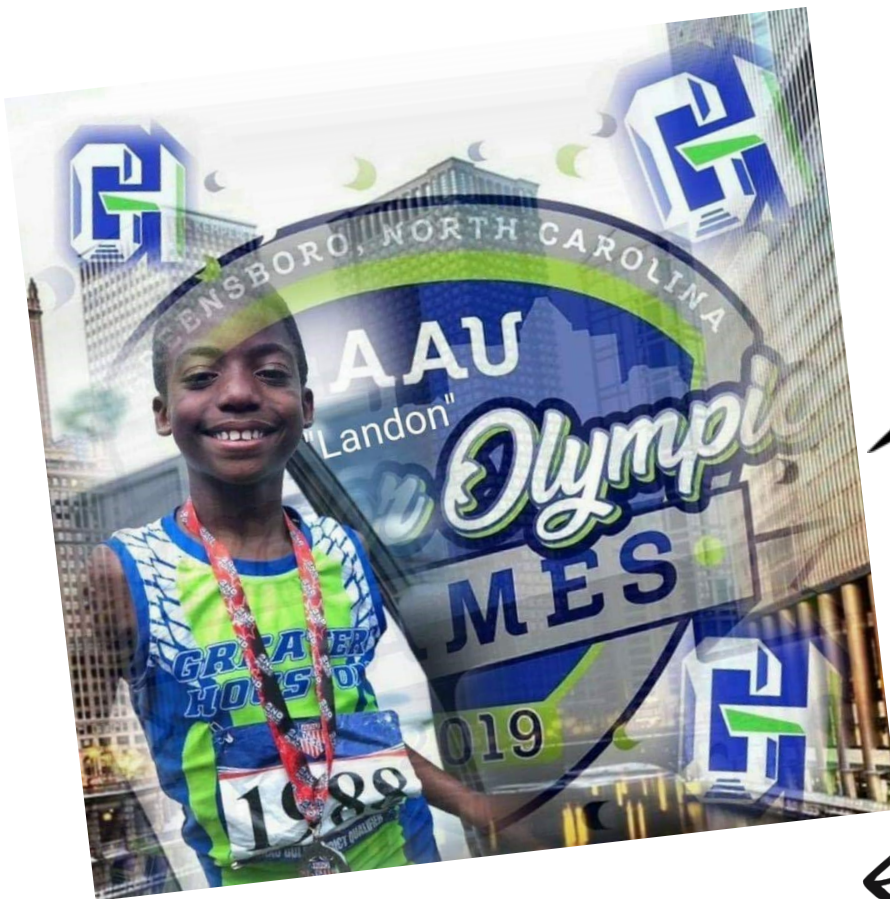

Employee of the Month

Thank you for joining our team and elevating the success in Room 3! We love your positive outlook and eagerness to exemplify the experience of the children in your classroom. The passion is very visible and we are excited to see how much more you can grow as a teacher.

STUDENT SPOTLIGHT

Let's give a round of congratulations to Landon L. in Room 10 for traveling all the way to North Carolina to compete in his first Junior Olympics for AAU Track. He went with his team, Greater Houston. He placed 9th in the nation for the 1500 race-walk for the 9 and under boys division. We are so proud of Landon and can't wait to see how much more he can progress next year! We believe in you!

We would like to introduce a new section in our monthly newsletters, our Student Spotlight! We want to continue our investment in the lives of the children that attend our center further on to the extra curriculars they do outside of Children's Lighthouse. If you have a child that wants to share their accomplishments with us, please send an email to Ms. Anna at info@childrenslighthousegm.com. We would love to brag on the awesome children that attend our facility.
