

Young Navigator August 2020

August is finally here! Things do look a little different this year as we gear up for back to school.

We are doing everything we can to make the start of the 2020-2021 school year easier for you Mom and Dad (see pg. 2 for more details). We are sad to see Summer end but we are eager to get back to our new and exciting curriculum! In the beginning of September we will begin our first year with our new and exciting Lighthouse CARES 2.0.
