Employee of the Month

Hello everyone! My name is Carrie. I have been the Dietary Manager at Children's Lighthouse since April 2021. I enjoy making the kids smile with healthy food and snacks.

I have been married 23 years with 3 sons. They are 22, 19 and 15. I like to go to the mountains or the beach with my family. While not working, I like to volunteer at my church in the preschool department and serve as a Deacon. I also like to make candles and lotions in my spare time.

Family of the Month

Our family of the month is the Price family!

We are the Price family - Ryan, Olya, Hailey and David. Ryan is serving in the U.S. Army and Olya is a homemaker. David's older sister Hailey is starting 3rd grade in the fall and is very passionate about ballet. We are a very adventurous family and have lived in Germany, New Jersey, Kansas, Utah and now North Carolina! David was born in Utah and loves playing soccer, he started playing when he was only 3 years old. David enjoys family trips to the beach, all things animals and playing with his friends; he started attending CLH Apex in March 2021. David's excitement for CLH started while the school was still under construction; we would go on walks by the school and David would announce, "That's my school"! David loves all his teachers and the friends he has made. Attending CLH Apex has helped David develop creativity, confidence, and compassion. He is ready for the next step - Kindergarten!
