Directors' Corner...

It is hard to believe, but summer is nearing an end, and we have a new school year up ahead! As we look back on the summer, we cannot forget how much fun we have had on the Splash Pad, with popsicles outside, and all of the yummy cooking activities that our amazing teachers have incorporated into their lesson plans! Even though it has been a very different summer than any before, we love that all of the children have had fun doing many of the Summer Camp activities we all remember so well from our childhood. We are also so thankful for all of our families who have treated our team to meals, snacks, and well wishes as we have continued to move through this pandemic. We are always overwhelmed at the generosity of our families and this summer has been no different.

As we look towards our next school year, even though it has been delayed by a few weeks, we are excited about what is up ahead. We will be sending each family an email with information about which classroom your child(ren) will be in, and any additional details that may apply. We know that transitions can be challenging for some children, but we hope that conversations about all of the new and exciting fun up ahead will help settle their nerves. We are always available for any questions or concerns, especially around transitions, so please do not hesitate to reach out for some extra tips and tricks, should you think your child might benefit from an extra boost.

While we do not yet have information on our Meet the Teacher event, we do know that it will be in a virtual format, instead of in-person. This will most likely include information sent digitally and the chance to connect with your child's teacher for specific information about their classroom. While this year is much different than any other, we are aiming to make it as smooth as possible for all of the children. We continue to be amazed by their resiliency and are committed to keeping their routines as consistent as possible. They are the blessings that remind us that we are all united in one goal to keep everyone safe and healthy!

ROOM 1

****Currently with Room 2****

Room 2

Our theme of the month is “Open and Close.” We will be practicing with containers such as coffee containers, boxes, or anything with a lid. We will continue focusing on our fine and gross motor skills through fun activities we have planned.

-Mrs. Jazmine and Mrs. Rocio

INNOVATIONS

Infant I, II & III

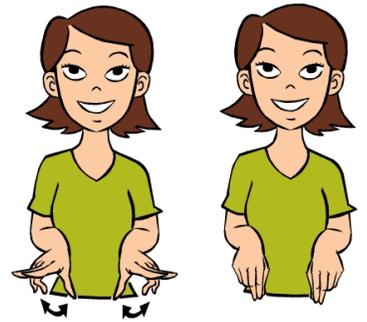

Theme: Open and Close

Color: Blue

Shape: Oval

Spanish: Diaper

Sign: Diaper

ROOM 3

We are enjoying the summer with our little learners before they move to their next classroom! August will be no different as we explore “Open and Close”, the color blue, the shape of an oval, and how to sign and say “diaper” in Spanish! We have been getting so good at our sign language, and of course asking for “more” during mealtimes is our favorite sign to use!

Have a wonderful month!

-Mr. Robert

ROOM 4

Happy August! Summer is almost over and we are kicking August off with our new theme of “Big Animals”, the color blue, and the shape of an oval. We will be making bears and elephants, along with reading Brown Bear, Brown Bear. Keep an eye out in pictures for all of our upcoming fun projects!

-Mrs. Cassie, Ms. Jackie, and Ms. Sabrina

Summer Curriculum

THEME: Super Scientists

CHARACTER VALUE: Pride

Room 6

In the month of August, we will be exploring Plants and Ocean Animals. Always such fun to explore sharks, dolphins and fish in the sea. We have many fun activities planned and will take as many pictures as we can so that you can see all that we are up to! We are enjoying the last full month with our class before they move up to a new classroom for the new school year. We have been so blessed to have your little ones in class with us.

-Ms. Kolleen and Ms. Stephanie

Room 5

Welcome to August! We plan on spending the month of August focusing on using our manners, saying “please” and “thank you”, playing nice, and sharing with our friends. These are such important lessons and we love seeing them in action! We have also been practicing staying in our centers until it is time to rotate, in preparation for the centers in Rooms 6. Thank you for all you do to support our classroom .

-Ms. Shelly, Ms. Maria, and Ms. Leiloni

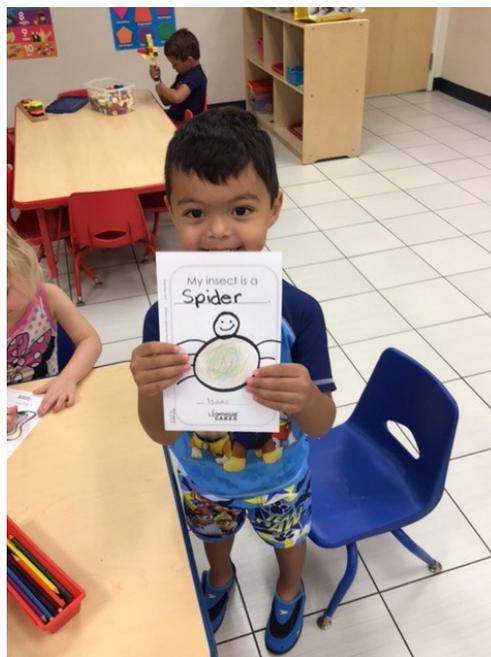

ROOM 7

Happy August!

We will end the summer exploring the science behind food and all of the yummy projects that come along with that! We will discover lots of textures while we look inside of fruits and other healthy foods. We are looking forward to learning in the most tasty way!

Have a wonderful month!

-Ms. Patty

ROOM 8

August is finally here and summer is almost over.

It is hard to believe but all of our little learners are almost ready to move to their APK classroom. We will finish out the summer with extra practice with letters and activities during circle time. We have been doing tracing cards with our names and learning the differences between upper and lowercase letters. What a wonderful year we have had with your children! Thank you for all of your support.

-Mr. Logan and Ms. Dannielle

Summer Camp

August is here and we are sad to see summer coming to a close! We would like to recognize all the summer camp students for being so awesome and making this summer as fun as possible! It has been a different summer than ever before but our campers made it memorable. We wish everyone well in the upcoming school year, whether they will be attending in-person or virtual!

-Ms. Kimberly and Mr. Manny

APK

We cannot believe that this is our last month with our APK students before they officially head off to Kindergarten. It has been such an honor to help prepare these children for Kindergarten and we thank you for sharing your children with us! We cannot wait to send them off with lots of hugs and kisses. They are so ready!

-Mrs. Alex and Mrs. Eileen

Congratulations...

Please join us in sending some well-deserved kudos to Ms. Aubrey for being our Teacher of the Month for August! Ms. Aubrey is well-loved in all of our classrooms and is always willing to offer an extra hand to any classroom. She is especially skilled at managing the needs of the school in the afternoons and evenings. She has earned the love and respect of her students and colleagues. We are so lucky to have her and congratulate her on a job well done!
