## Teacher of the Month

Ms. Rubi is our Young 3's teacher in Room 7. She joined our team in June of this year, and has shown so much enthusiasm, and care in her classroom. We have been very impressed as have our parents in that class with what Ms. Rubi has brought to our center and our team! Ms. Rubi has such a rockstar attitude and is very energetic! We have really enjoyed having her and look forward to her future here with CLH Apex!
