Director's Corner

The new school year is right around the corner, and we can't wait to welcome our wonderful students and families back! We're gearing up for a fantastic year full of learning, growth, and fun. Do you know someone looking for great childcare? Invite them to our upcoming Meet the Teacher Night & Open House! We'll be offering on-site tours, information on our proprietary curriculum, and you can earn a referral discount for spreading the word.

We hope to see all our families at our **annual Meet the Teacher Night and Open House**. It's going to be a fantastic event. Here's what's in store:

- **Win a Free Week of Tuition:** Enter our drawing for an opportunity to win a free week of tuition.
- **Meet the Teachers:** Our teachers have been working hard at preparing their classrooms and we are so excited to introduce them to their "new" friends.
- **Explore Extracurricular Activities:** Parents will have the chance to meet the vendors for this year's extracurricular activities, learn all about their program and even sign up!

We truly appreciate you and are always here to help. If you have any questions, concerns, or comments, please know that my door is always open.

Warmly,
Julie Gibbons

This summer we will follow our friends from Daniel Tiger as they go on adventures and learn some valuable lessons. Our CARES classrooms will focus on a different Daniel Tiger character book each week and engage in fun theme related activities and projects.

Paper Plate Fish:

Materials:

- Paper plates, paint, construction paper, googly eyes, glue, scissors.

Instructions:

- Paint the paper plate and let it dry.
- Cut out fins and a tail from construction paper.
- Glue the fins and tail to the back of the plate.
- Glue on a googly eye.

Summer is here and we are rolling out our XSTREAM Summer Adventure curriculum. Each week our campers will explore a new theme and participate in, hands on, and STREAM based activities.
