1. Operational Hours and Days Closed

- Our hours of operation are Monday to Friday, 6:30am-6:00pm

- We believe in celebrating holidays and special events posted on our website under the 'For Parents' tab along with our school family. This alongside our enrichments help cater to the whole child in order to develop children's social and emotional skills.

2. Arrival and Open Door Policy

Your child and their peers thrive on the consistency of schedule for learning, playground and mealtimes offered in our program. In order to ensure that your child receives the full benefit of our school program, we ask that all children are in attendance everyday no later than 9:00a.m. This is when every class begins their academic day and attendance is confirmed for planning meals and teacher ratios. If your child is in after 9:00 a.m. we kindly request that you inform a member of the school prior to 9 a.m. by calling (919) 388-0470 or by emailing Westcary@childrenslighthouse.com so that your child can be counted into ratio and meal counts for the day.

Children's Lighthouse Learning Center has an open-door policy. Please feel free to stop the admin office or call in case of any questions, especially if your classroom teacher is busy attending to the classroom needs. You as a parent/ authorized guardian are welcome to visit your child at any time during the school day. We request that you help us maintain classroom structure and schedules during your child's drop off and pick up.

3. Payments

Automatic bank draft is the only permissible method of tuition payment. Dis-enrollments require a 1-month advance notice period.

4. Safety

The school building stays locked with unique coded access for each parent. Please sign-in and sign-out your child using the Procare tablet daily during drop off and pick up respectively, to ensure the safety of our school children at all times. All other individuals must be authorized in writing by the parents and show a valid ID in order to pick-up or drop-off your child. This authorization must be completed as part of the initial registration packet. In case of a last-minute change, the authorization may be provided by the parent, however, the email account must match the one listed on the child's registration form.

5. Emergency Preparedness

Staff will be trained annually on emergency preparedness including fire, weather, and lockdown drills. Children will also participate in monthly drills. In the event of an emergency, we will follow parental instructions on the emergency medical forms unless emergency personnel override that decision. For all injuries, first aid will always be performed, an incident report completed, and parents notified at pick-up or sooner if warranted. All staff are First Aid/CPR certified. In case of any emergency closings due to inclement weather or utility outages, we will follow the Wake county school closings to inform parents by text message/ email or by phone if necessary.

6. Parent Referral Program, Promotions and Discounts

The terms and conditions of the parent referral program may change from time to time. Please contact the Center Director for current program details. We post promotions on our website and/ or parent newsletters. A family may avail of only one promotion or discount at a time.

7. Communication

We aim to communicate on a regular basis through electronic daily reports, monthly newsletters sent by email, social media postings, parent meetings, in-center displays & bulletin boards, website updates, curriculum connections and via telephone as needed. In addition, we also conduct parent conferences at least two times per year. We invite all families to engage in the classroom via school email, teacher messaging, school events/ celebrations, parent expertise shared on career day, book reading to share culture & character values, book donations and requested items for special art/ projects by classroom teachers. Parent participation is highly encouraged and greatly appreciated to boost child and teacher morale and motivation.

8. Video Monitoring

The monitoring system will be maintained through our vendor PB&J TV company for administration purposes. This allows us to monitor classrooms, building and premises through live video monitoring. We make a commitment to prioritize school security through ongoing monitoring and continue to take every measure to safeguard the confidentiality of our children and families.

9. Daily Report

Upon enrollment, a Procare account will be created for each child and a confirmation email sent to the parents. An electronic daily report is emailed to the parents at the end of each day, upon acceptance of the parent invitation. The same can also be accessed using the Procare parent app available on Apple and Android devices. This also provides 1-way messaging service from parents to teachers. Your teacher is unable to message back, in order to prioritize the group's needs, interactions and supervision in the classroom. Teachers will typically update the report by end of day or be available for phone calls following lunch clean up during nap time. For urgent communications, it is recommended for parents to call the school for the fastest response time. It is recommended that parents regularly save required data shared on the app, since daily reports are archived for 30-days and pictures are archived for 1-year.

10. Photos

Our photo release policy signed during the enrollment process provides authorization for use of photos and videos on our school T.V. monitors, Procare, Facebook and website pages. Photos of children taken during school activities including field trips, bi-annual showcases, volunteer activities etc. are for the benefit of our parents and staff. Any inadvertent use with the erroneous inclusion of a child in a group or background will be promptly removed upon notification. With regards to use of child photos for brochure and other marketing materials, we will require written permission for use of children photos in our brochure and other marketing materials.

We request notification of your child's absence when diagnosed with a communicable disease. In order to prevent contagion, we may require a doctor's note for your child's return to school. We are required to post these notices per N.C. licensing to educate, contain and prevent the spread of infectious disease. Notices will be posted throughout the center to advise individuals of symptoms and incubation periods.

Staff is trained on recognizing communicable diseases. We will follow licensing requirements for sending children/staff home due to illness. In case of a rash, there should be no open scabs when the child returns to school. In case of head lice, the child will be screened upon their return to school. Please ensure your child's return a minimum of 24 hours after treatment with lice removal product and screening using a lice comb for dead lice, nits & eggs. Our policy requires children to be fever/ symptom free without the use of medication for at least 24 hours before returning to school.

We are a **Nut-Free facility** and only allow nut-free items on our premises. We offer 3 nutritious meals a day for children over ages 1 year at breakfast, lunch and afternoon snack in full compliance with the USDA food and nutrition guidelines.

Breakfast service starts at 8:30 A.M. and ends at 9:00 a.m. If you would like your child to be served breakfast, please arrive in time to be at the breakfast table after hand-washing by 8:45 a.m. This allows for a smooth transition for our children and teachers to begin the learning wall activity and lesson plans for the day.

Lunch service starts at 11:00 a.m. and ends at 12:00 p.m. If your child is arriving late and eating lunch at the school, please have them arrive by 10:30 a.m. to be included in the lunch count. This allows our Kitchen Manager to clean the kitchen for timely transitions from breakfast to lunch as well as lunch to snack preparation per sanitation requirements.

Some recommended foods for birthdays celebrations at the center include snacks and cakes in their original manufacturer packaging that are free of nuts or nut traces such as fruit snacks, rice crispies, oreo cookies, popsicles, lollipops OR toy/ goody bags.
