

# Childrens Lighthouse North Center Classroom Camera Instructions

## Tips and Hints before Getting Started

- 1. The fastest and easiest way to watch is on a mobile device
- 2. If you're using a mobile device to view video, it will not work while signed onto our Center's internet network
- 3. Viewing high resolution video on your PC keeps your desktop computer's brain busy so you may notice other software running slowly while streaming video
- 4. On a PC the system will log you out after a period of time, you are welcome to log back in after time outs though

### **IPhone and Android Users**

- 1. Go to the App Store on your device (or scan the handy QR codes below)
- 2. Download DS Cam App
- 3. Open the App
- 4. Input Server Address 96.92.216.170
- 5. Input your username and password as provided by the Center Director
- 6. Switch HTTPS to OFF & Remember Me to ON
- 7. Sign In

\* iPhone & Android users: If the full screen image does not appear you will need to tap on the extended info button. You will need to select "force the MJPEG Streaming."

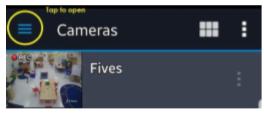

#### **iPhone**

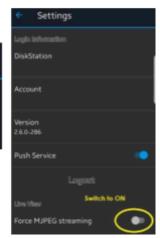

#### Android
