My Family

Title	Supplies Needed	Activity Steps
Father's Day Footprint Lion	Paint (brown, yellow), black marker, paper or construction paper, paintbrush	Paint the bottom of your child's foot. Place it on a sheet of paper (the heavier the paper, the better). Have your child dip their finger in the paint and put the fingerprints around the "lion" to make the mane. Draw the tail and face. Write a message on the paper. See example template for creative ideas.
Family Puzzles	Family Puzzles Pieces activity page, Family Puzzles Template activity page, scissors	Print the Family Puzzles Pieces activity page, and supervising adult, cut out each puzzle piece (4 pieces). Print the Family Puzzles Template. Place the puzzle pieces on a table and have your toddler put the two puzzles together to match the pieces. Discuss details of each puzzle to help them identify which piece goes where.
Pets are Family	Camera or phone	Pets are Family too! Discuss and demonstrate with your toddler the proper ways to take care of a pet. What do they eat? What do they drink? Where do they sleep? We want to see those adorable family pets! Post a picture of your toddler with your family pet(s) on your school's Facebook page!
'Dd' is for Dog & 'Cc' is for Cat	'Dd' is for Dog Coloring Page, 'Cc' is for Cat Coloring Page, crayons	Print the dog and cat coloring pages. Have or help your child color the pictures. Discuss the differences between dogs and cats. Which one barks? Which one makes a "meow" sound? Do they both have whiskers? Do they both have tails, paws, etc.?
Lion Masks	Paper plate, strips of construction paper (yellow, orange, brown, black), crayons, black marker, glue, scissors	To make the mask, supervising adult can cut out the middle of the paper plate if they prefer, this will allow the face to be seen when the mask is held up and strips of construction paper. Have your toddler color the plate. Help your child glue strips of paper around the paper plate to represent the lion's "mane." Draw a face on the paper plate. Decorate as you wish with supplies you have at home.
