

CHILDRENS LIGHTHOUSE AT HOME WEEKLY ACTIVITY PLANS

Preschool: 3 – 5 Years

Theme: Plants, Flowers, Ocean Animals

Week 6

| Title | Supplies Needed | Activity Steps |
|---------------------------|--|---|
| Starry Night | Starry Night picture, watercolors, paint brushes, paper | Print the Starry Night picture (or show on computer screen or tablet). Have your child duplicate the picture by painting and copying it with watercolors. Let dry completely. Post a picture of your child's painting on your Childrens Lighthouse school's Facebook page. |
| Fish Shapes | Fish Shapes activity page, pencil, crayons (red, blue, green, yellow) | Print the Fish Shapes activity page. On the fish, have your child color the triangles red, the circles blue, the squares green, and the stars yellow. Under the fish (in the graph table), have your child practice drawing each shape in the squares. |
| Coin Identification | Coin Identification activity pages, crayons | Print the Coin Identification activity pages (penny and nickel). Have your child fill in the blanks: A penny is 1 cent; A nickel is 5 cents; then color the coins on each side of the statement and in the box; then color in the coins that totals the written amount. Extension: Place a real penny and a real nickel in your hand and have your child identify which one is a penny and which one is a nickel. (Parent supervision needed when using real coins. Do not leave child unattended with coins.) |
| I Can Tie My Shoes | Shoes with laces | Visit: I Can Tie My Shoes to watch a video and hear a song on how to tie your shoes. Have your child practice tying their shoes! |
| Ocean Animals Memory Game | Computer and Internet | Visit: Match Memory Game to play the Ocean Animals Memory Game. Click on a card and then click on another card to find the match. Continue until all the cards have been matched correctly. Extension: Keep track of the times to see how fast your child can complete the game. |
| Freeze Dance | Open area free of obstacles, music (radio, phone, tablet, etc.) | Designate an open area free of obstacles. Start the music, and start dancing with your child as the music plays. Stop the music. When it stops, each player must freeze immediately and hold that position until the music begins again. If a player moves while the music is stopped, they sit out the next round. Continue until one player remains. |
| Lowercase Letters Review | Lowercase Letters Review activity page, pencil | Print the Lowercase Letters Review activity page. Ask your child, "Can you show me the letter a?" As your child points to the letter a, cross off the letter a. Continue until all letters have been successfully identified. Extension: Have your child circle the correct letter then write the letter beside the printed letter. |
| Math Love | Math Love activity page, crayons (orange, pink, blue green) | Print the Math Love activity page. Have your child solve the subtraction problems, then use the key and have your child color the hearts. |
| Handprint Fish | Handprint Fish activity page, paint (color of choice), paintbrush, writing utensil | Print the Handprint Fish activity page. Paint child's hand color of choice. Place painted hand inside the "fishbowl" (as shown on example). Label each part—eye, tail, and fin. The eye can be colored with a black marker or you can glue a googly eye on. |
