

CHILDRENS LIGHTHOUSE AT HOME WEEKLY ACTIVITY PLANS

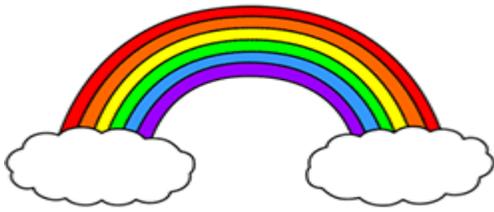

Preschool: 4 – 5 Years Old

Theme: Summertime Fun

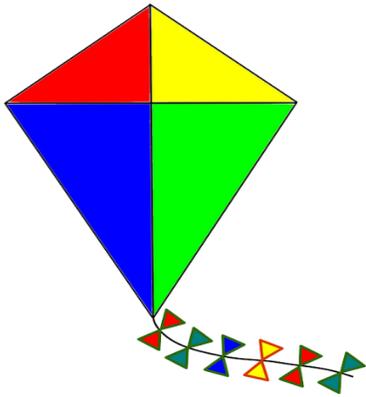

Week 11

Title	Supplies Needed	Activity Steps
Alphabet Sounds	Alphabet Sounds activity pages (2), child safety scissors	Print the Alphabet Sounds activity pages (2). Children will identify letter sounds as they explore the photos for each letter of the alphabet. With supervising adult, child can cut out each card by cutting around the dotted lines. Display the photo cards in random order on a table face up. Help your child use match the word cards to the photo cards. Say the name, emphasizing the sound of the first letter.
Summertime Fun Word Search	Summertime Fun Word Search activity page, pencil	Print the Summertime Fun Word Search activity page. Have your child find and circle the words from the word bank.
Campfire Handprints	Red, yellow, orange, and brown paint, paintbrushes, construction paper	Paint child's hands red, yellow, and orange (can alternate colors or paint hands multiple colors). Place painted hands on a piece of construction paper by overlapping the handprints in the center of the paper so that the different colors create a campfire effect. Paint brown strokes at the bottom of the handprints to make the log base of the fire. (See sample Campfire Handprints activity page.)
'K' is for Kite and 'D' is for Dolphin	'K' is for Kite activity page, 'D' is for Dolphin activity page, pencil, crayons	Print the 'K' is for Kite and 'D' is for Dolphin activity pages. Have your child practice writing the letter 'K' and trace the words "Key" and "Kite"; then trace the word "Dolphin" and color the 'D' is for Dolphin activity page.
Summer Patterns	Summer Patterns activity page, child safety scissors, glue	Print the Summer Patterns activity page. Help your child cut along the dotted lines the bottom two rows into individual squares. Then have your child glue the picture that completes the pattern in the blank square on each row.
Summer Addition	Summer Addition activity page, pencil	Print the Summer Addition activity page. Have your child count and write the number of items under each picture set, then help your child solve each equation by writing the number after the = sign.
Connect the Dots	Connect the Dots activity page, pencil (can use crayon or marker)	Print the Connect the Dots activity page. Have your child use a writing utensil to connect the dotted numbers, in order, 1-13.
Squirt Gun Painting	A canvas (any shape or size you like), poster board, or T-shirt, tempera paint, squirt guns.	Thin paint with a small amount of water, until it is "sprayable." Then fill squirt guns with the paint. Hang or lay the canvas, poster board, or shirt outside. Have your child squirt the surface and see what creations they make! To have different colors, empty out the squirt guns and refill them each time with a different color or purchase a squirt gun for each color. Post a picture of your creation on your child's Childrens Lighthouse school's Facebook page.
Sight Words Flash Cards	Sight Words Flash Cards activity pages (5), child safety scissors	Print the Sight Words Flash Cards (5 pages). With supervising adult, child can cut out each word card. Help your child practice reading each flash card. Extension: Once the words have been mastered, time your child to see how fast they can read each word.

Summer Addition

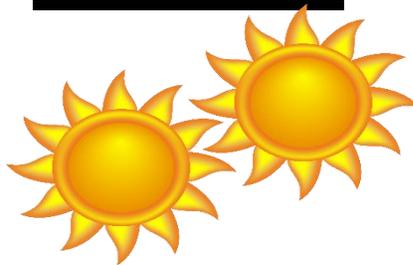

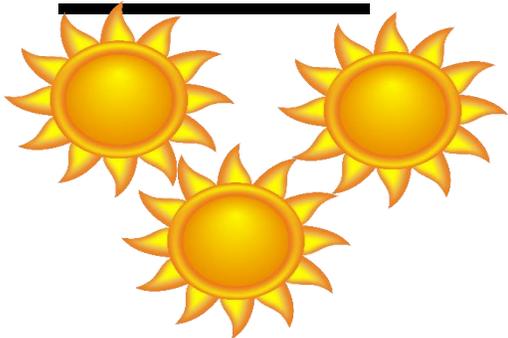

Count and write the number under each picture set. Solve each equation by writing the number after the = sign.

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad}$$

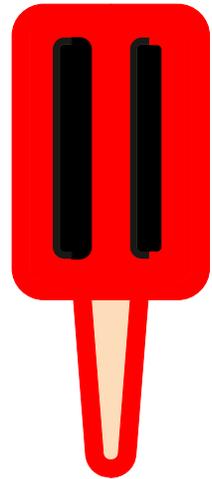

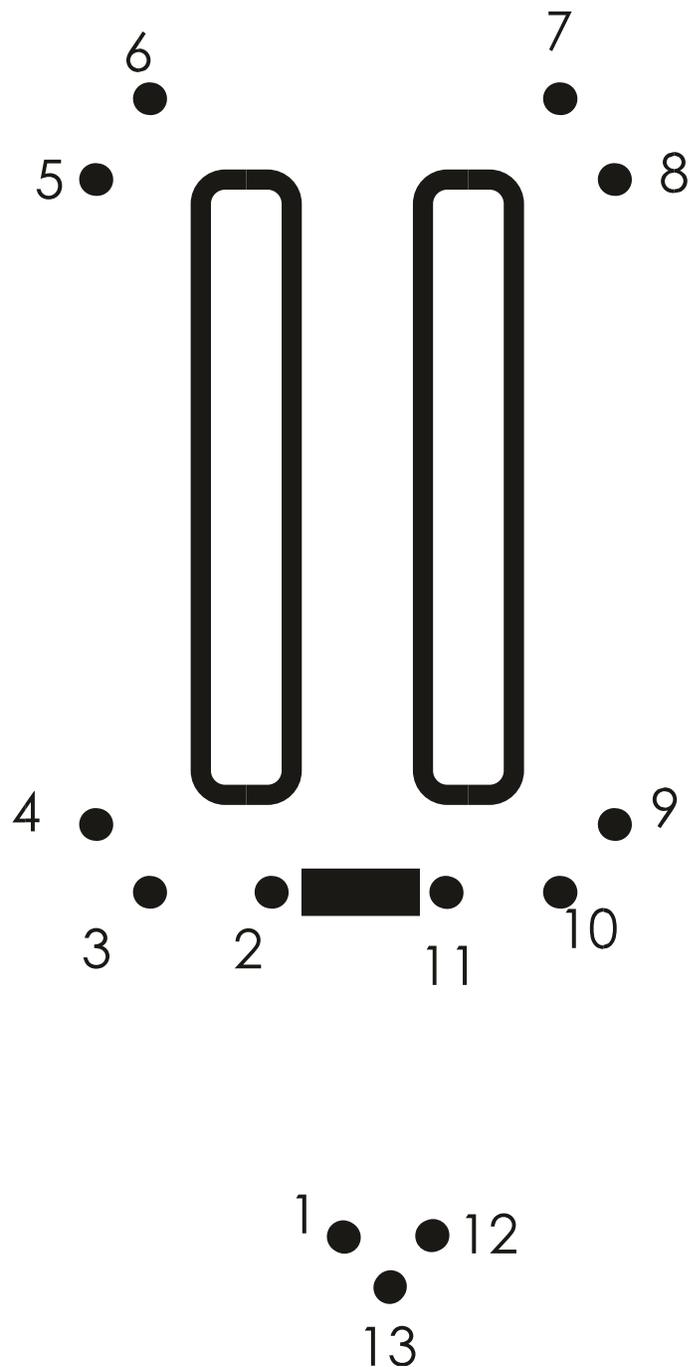

$$\underline{\quad\quad} - \underline{\quad\quad} = \underline{\quad\quad}$$

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad}$$
