

December Newsletter

Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We hope this Newsletter finds you well! Last week, we had a wonderful Thankful Pie picnic, and we want to extend our heartfelt thanks to all the families who joined us. It was a delightful day filled with laughter, gratitude, and delicious pie, making beautiful memories together.

As the holiday season began, we also kicked off our annual toy drive in partnership with East Fort Bend Human Needs Ministry. We will be accepting unwrapped toy donations until Friday, December 6th. Please consider donating to this wonderful cause.

Mark your calendars for our annual Pics with Santa on December 6th! We encourage everyone to come dressed in your holiday cheer, as we capture joyful moments with Santa that your children will cherish.

Also, get ready for our holiday Spirit Week, starting December 15th! Each day will feature a different holiday flair, culminating in our Pajama Polar Express Day on Friday. We can't wait to see everyone's festive flair!

Please note our upcoming holiday schedule: we will close early on December 24, remain closed Christmas Day and the day after, and close early on New Year's Eve. We will also be closed on New Year's Day, reopening January 2nd.

Thank you for being part of our Children's Lighthouse-Harvest Green family. Wishing you a joyous holiday season filled with love and happiness.

-Shannon Maddasion/School Director

Character Value: Patience

School Age

Character Value For The Month: Patience

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

Happy Birthday!

Amari J. 12/1
Costas M. 12/2
