

# January Newsletter

## Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We would like to extend our heartfelt thanks for your generous toy donations this past December! Your contributions to East Fort Bend Need organization have made an impact, bringing joy to many children in our community during this holiday season.

This month has been filled with excitement and fun, especially during our holiday spirit week! Our little ones had a blast wearing their holiday sweaters, dressing up for Twin Day, and embracing the Grinch Spirit. We also had the wonderful opportunity to visit our local senior citizens at Legacy at Long Meadow, where the children delightfully sang holiday songs, spreading cheer and warmth to our friends in the community.

Looking ahead into January, we are eager to dive into learning about polar animals! To celebrate this chilly theme, we will be watching the moving \*Happy Feet\*, which will surely be a delightful experience for our little penguins. Additionally, we will be celebrating the Lunar New Year with special treats and engaging arts and crafts.

Thank you for your continued support and involvement in our school community. We wish you and your families a Happy New Year filled with love, laughter, and learning. We look forward to an exciting January and New Year together!

-Shannon Maddasion/School Director

**Science & Nature Focus:** Magnets, Seasons, Weather, Polar Animals  
**Math & Manipulatives:** Shapes, Sequencing, ABAB Patterning  
**Book of the Month:** Jan Brett, Penguin ABC  
**Character Value:** Diversity

## School Age

### **Character Value For The Month: Diversity**

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

## Happy Birthday!

Austin C. 1/3	Clark L. 1/15
Zarnish H. 1/3	Braylon W. 1/15
