

# March Newsletter

## Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

Spring is in the air as we reflect on February and look forward to March. We were so happy to celebrate Children's Lighthouse-Harvest Green's 6<sup>th</sup> birthday! It was a joyous occasion filled with gratitude, joy, and delicious cupcakes for our Lighthouse Family! Thank you to our community for making every birthday possible! We are very appreciative! Additionally, our visit to The Legacy at Long Meadow Farm was heartwarming as we delivered cards and drawings to seniors, spreading love and cheer in our community. What a wonderful February!

As we embrace March, we have a lineup of exciting celebrations and activities! We'll kick off the month with a special Dr. Seuss Birthday presentation and celebration. Don't forget Spirit Week begins on March 3<sup>rd</sup>, where kids can wear different spirit gear each day. Spring Break is just around the corner, offering a sneak peak into our Clifford-themed summer program!

Mark your calendars for Picture Days from March 18-21, and check your March calendar for your child's specific day. We'll also celebrate National Preschool Teacher Day on March 21, consider sending a treat, craft, or heartfelt message to your teacher. Additionally, we're excited to host our guest author for Room 9 and Private Kinder Kids! Wishing everyone a month filled with growth, laughter, and wonderful memories.

-Shannon Maddasion/School Director

**Math & Manipulatives:** Shapes, Number Sets, Patterns  
**Book of the Month:** Dr. Seuss, Dr. Seuss's ABC  
**Character Value:** Truthfulness

## School Age

### **Character Value For The Month: Truthfulness**

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

## Happy Birthday!

Evelyn K. 3/2	Camden F. 3/24
