Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

What a wonderful Spring and month of April we have had at Children's Lighthouse-Harvest Green! We can't thank our community enough for helping us raise over \$1,500.00 at our annual Trike-A-Thon event, benefitting St. Jude children's Research Hospital! Thank you for helping us give back to this wonderful organization! We also had an absolute blast at our annual Spring Social, complete with a Bunny, games, tasty food, small business vendors, and a DJ playing fantastic tunes. Your support made this event unforgettable!

As we leap into May, we have some exciting happenings coming up! Don't forget to schedule your Parent-Teacher conferences to discuss your child's progress-your involvement makes a huge difference! Additionally, we'll be celebrating Teacher Appreciation Week starting May 4th. Please consider treating your child's teachers or creating a special gift to show your gratitude for their hard work. We also can't wait for our mamas to join us with their kiddos for a picnic brunch on Friday, May 8th! Bring your picnic blanket and get ready to make some happy memories. Lastly, mark your calendars for our Preschool Graduation on Tuesday, May 19th, where we will proudly celebrate our kiddos and all their hard work. Stay tuned for details.

What a wonderful school year it has been! We're thrilled about the exciting summer activities we have planned. Thank you for being part of our children's Lighthouse family!

-Shannon Maddasion/School Director

Book of the Month: Leo Lionni, ABC Ocean

Character Value: Kindness

School Age

Character Value For The Month: Kindness

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.
