# November Newsletter

## Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

Happy November! We are excited to embrace this wonderful month filled with gratitude and community spirit.

Our Fall Festival was a fantastic success! The children had a blast, playing games, playing in bounce houses, and enjoying music. Thank you to all families who participated and made this such a memorable event!

This month, we will be holding parent/teacher conferences throughout November. We encourage you to sign up through the link sent out in ProCare. This is a great opportunity to discuss your child's progress and share insights. We are also thrilled to continue our partnership with East Fort Bend Human Needs for a food drive. Starting November 17<sup>th</sup>, we will be collecting food donations in the boxes located in the lobby. Please stay tuned for the flyer which states specific food donations needed this season. Your generosity will provide essential support to families in need. Also, mark your calendar for our annual Thankful Pie Picnic for Thursday, November 20<sup>th</sup>. Parents are invited to join their kids for a delightful morning eating Thanksgiving pie together. Please bring a picnic blanket to enjoy this special gathering outside. Lastly, please note that Children's Lighthouse-Harvest Green will be closed Thursday and Friday, November 27<sup>th</sup> and 28<sup>th</sup> for Thanksgiving. We wish you and your families a warm and joyful holiday filled with love and gratitude.

Thank you for your continued support. We look forward to a fantastic November together!

-Shannon Maddasion/School Director

**Book of the Month:** Brown Bear Brown Bear What Do You See?,

**Alphabet Book:** ABC Thankful Me

**Character Value:** Gratitude

### School Age

#### **Character Value For The Month: Gratitude**

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

### Happy Birthday! Month of November
