

October Newsletter

Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We are thrilled to announce that October is shaping up to be an exciting month at Children's Lighthouse-Harvest Green! We are kicking off the month of October with Parent Appreciation. On Monday, October 5th, we'll celebrate all the wonderful parents who make our school so special. Treats will be waiting in the lobby in the morning that day! Your support means the world to us!

Also, Mark your calendars for the Scholastic Book Fair during the week of October 19th, where children can explore new books and discover the joy of reading. This month, our teachers and kiddos will also unleash their creativity in our classroom pumpkin decorating contest-your vote will determine the class winner, so stay tuned for amazing designs!

The highlight of this month will be our annual Fall Festival! Join us for a day filled with carnival games, delicious food, face painting, and lively music. Costumes are encouraged. This event is open to the public, so go ahead and bring your friends and neighbors too!

To wrap up October, we'll host Fall Spirit Week. The last week of October, we'll be celebrating all things autumn with fun themes each day. Stay tuned for fun themes to wear each day of the week. On October 30th, we'll have class Fall parties. If your child wishes to wear their costume to school on October 30th, they may do so. Finally, don't forget to calendar Monday, October 12th. We will be closed for that day only for staff training. We can't wait for all the fun ahead!
-Shannon Maddasion/School Director

Construction Site
Character Value: "We Are Helpers"

School Age

Character Value For The Month: **"We Are Helpers"**

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

Happy Birthday!
