

September Newsletter

Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We are thrilled to continue the start of another exciting school year and can't wait to share the wonderful activities that your kids will be doing in our Bright and CARES program. Our character value program will focus on pride for our preschool kiddos and our school age Quest kids will be focused on cooperation. We are also excited to show you where our private APK will be visiting as part of our community outreach which is embedded into our program. Stay tuned to our social media to see where they go! We can't wait to showcase this.

The month of September will kick off with Grandparents Brunch Picnic, where food will be provided, and memories will be made. Additionally, we have NFL Shirt Spirit Day coming up, along with Fall Pictures scheduled for September 17-20. Please consult with the front office or your child's teacher for your specific day. Also, please remember that Children's Lighthouse-Harvest Green will be closed Monday, September for Labor Day.

Finally, mark your calendars and save the date, our annual Fall Festival on Friday, October 25th. Join us for an afternoon of fun and festivities filled with music, food, games, and a trunk or treat experience. If you would like to be part of our trunk or treat, please inquire with our front office. We can't wait to see you all there. Stay tuned for more details.

-Shannon Maddasion/School Director

Book of the Month: Chicka Chicka Book Boom, ABC Like Me
Character Value: Pride

School Age

Character Value For The Month: Cooperation

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

Happy Birthday!
