

September Newsletter

Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We are thrilled to continue the start of another exciting school year and can't wait to share the wonderful activities that your kids will be doing in our Bright and CARES program. Our character value for the month of September will focus on cooperation. Ask your kiddo how our character value friend, Cody the collie, helps us understand that when we help each other and work together, we are cooperating.

On Friday, September 11th, join us for our Grandparents Brunch Picnic, where our kiddos can invite their grandparents to enjoy a morning together! Food will be provided, so come ready to share smiles, laughter, and create special memories. Be sure to mark your calendars for Fall picture day from September 15-18. Information will be provided for your child's specific picture day for that week. Also, please note, that Children's Lighthouse-Harvest Green will be closed Monday, September 7th in observance of Labor Day.

Finally, mark your calendars and save the date for our annual Fall Festival which will be on Friday, October 23rd. Join us for an afternoon of fun and festivities filled with music, food, games, and a trunk or treat experience. If you would like to be part of our trunk or treat, please inquire with our front office. We can't wait to see you all there. Stay tuned for more details!

-Shannon Maddasion/School Director

Book of the Month: Chicka Chicka Book Boom, ABC Like Me
Character Value: Cooperation

School Age

Character Value For The Month: Cooperation

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

Happy Birthday!
