

September Newsletter

Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

As we eagerly anticipate the arrival of the cool and crisp weather, we are grateful for all of the delightful memories made at Children's Lighthouse-Harvest Green this summer. We will cherish the sunshine, bubbles, and giggles from our Luau extravaganza. Seeing the smiling faces on our little sunbeams and their families brought us such great joy. We would like to convey that our teachers and staff deserve a standing ovation for making this such a great summer. Their dedication, patience, and ability to create such a great environment day to day for our little sunbeams is one we truly appreciate.

Our transition into September has been off to a great start! Our Fall, Bright, CARES, and XSTREAM curriculum has hit the ground running, paving the way for an incredible journey of growth and learning this school year. Keep reading our newsletters and classroom boards to keep up with our monthly themes and lessons.

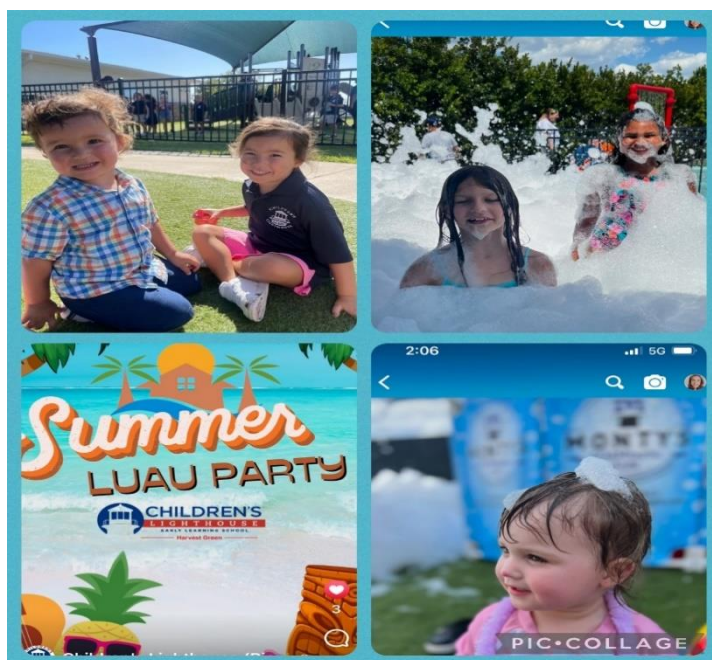

We can't wait to keep creating great memories for our kids by hosting our Grandparents Brunch on September 8th. Lighthouse will also be hosting Fall pictures September 19th-22nd. Stay tuned for the specific day your child will have their picture taken.

We are looking forward to an amazing school year ahead, filled with fun, laughter, and lots of learning!

-Shannon Maddasion/School Director

Author/Book of the Month: Chicka Chicka Boom Book, ABC Like Me
Character Value: Pride

School Age

Character Value For The Month: Cooperation

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher level thinking skills while having a strong outdoors component.

Happy Birthday!

Samantha M. 9/1
