

# September Newsletter

## Children's Lighthouse of Harvest Green

Dear Lighthouse Families,

We are thrilled to continue another exciting school year and can't wait to share the wonderful activities your children will be enjoying in our Bright and CARES program. Our character value for September is Cooperation. Ask your kiddo how our character value friend, Cody the Collie, helps us understand that when we help each other and work together, we are cooperating.

On Friday, September 5th, join us for our Grandparents Brunch Picnic, where our students can invite their grandparents to enjoy a special morning together! Food will be provided, so come ready to share smiles, laughter, and create lasting memories.

Be sure to mark your calendars for Fall Picture Day, happening the week of September 15th. Specific dates for your child will be provided by their teachers. Also, please note that Children's Lighthouse – Harvest Green will be closed on Monday, September 1st in observance of Labor Day.

Looking ahead, save the date for our annual Fall Festival on Friday, October 24th. Join us for an afternoon filled with music, food, games, and a trunk-or-treat experience! Families interested in participating in trunk-or-treat may inquire at the front office. We can't wait to see you all there, stay tuned for more details!

- Shannon Maddasion/School Director

**Science & Nature Focus:** Animal Habitats and Homes

**Math & Manipulatives:** Counting, Number Recognition

**Book of the Month:** Chicka Chicka Boom Boom, ABC Like Me

**Character Value:** Cooperation

### School Age

#### **Character Value for The Month: Cooperation**

Whether your child is enrolled in our full day Virtual Learning program or our Before & Afterschool program, he/she will be participating in our new School-Age **Quest** Curriculum.

With the **Quest** curriculum, the children can choose different challenges in a variety of S.T.E.A.M. based interest areas including science, technology, engineering, art and mathematics. After they complete their chosen challenge, they will receive a cog (similar to a badge). These challenges can be done individually, with a partner, outdoors or even within the community. The children will continue to receive cogs as they complete challenges daily.

The **Quest** curriculum includes an emphasis on character values and community service. The curriculum develops critical and higher-level thinking skills while having a strong outdoors component.

## Happy Birthday!
