Craft Corner

Snow Man In A Bag

Start by crumpling up these white paper pieces and adding them to a Ziplock bag. Close up the bag by zipping it shut. Next, grab some construction paper to cut out eyes, a nose, and a coal smile, and glue them onto the bag. Feel free to add a hat or corncob pipe making Frosty compete!

December's Family of the Month – The Stowers

Brandon and Lauren Stowers are the parents of three amazing children, each with their own unique personality. Colton, 14-year's old, is involved in competitive tennis and has a keen interest in hair products, keeping his style sharp. Jensen, at 4, has a soft heart, a boundless imagination that fills their home with creativity and warmth. He hates wearing pants which makes cold weather a challenge. Lily, the youngest at 2, adds to the family's joy with her bright smile and playful spirit. Lily's best friends are Monkey, Bunny, and/or nap mat. Together, the Stowers family cherishes fun, laughter, and making unforgettable memories.

Teacher of the Month Dec.

*Congrats to
Mrs. Veronica RM 4*
