Meet

Ms. Norma
Assistant in Room 7

Ms. Norma joined our team in June 2022. Norma has been an amazing addition to our team here at Children's Lighthouse. Since joining Children's Lighthouse, she has made so many new friends. She is overjoyed with how much her life has changed since being here.

She loves working with children, because everyday is something new with them. Kids bring her a different kind of joy. She loves the kids she works with.

Her superpower is that she is best friends with the children.

Little Known Facts

- She used to spend every summer in Mexico until she was 18.
- She has a black lab named Dallas.
- In her spare time, she loves to host game nights (she is very competitive)
