Let's Learn Together: Hanukkah (Dec 18th – 26th)

The eight-day Jewish celebration known as Hanukkah or Chanukah commemorates the rededication during the second century B.C. of the Second Temple in Jerusalem, where according to legend Jews had risen up against their Greek-Syrian (Seleucid Empire) oppressors in the Maccabean Revolt. Hanukkah is celebrated in several ways. In addition to lighting each day one candle on the menorah, religious rituals can include daily reading of Scripture, recitation of some of the Psalms, almsgiving, and singing of a special hymn. [Here](#) you can read more about Hanukkah origin and tradition associated with this Jewish festival.
