

Dear Parent,

Welcome to Children's Lighthouse and thank you for choosing us as your childcare provider. Please take a moment to look over all the information provided to you in this packet.

We understand that there are a lot of forms to fill out and this can be time consuming. However, you must have **every form in this packet completed and turned into a member of our management team on your first day.**

The forms in this packet include the following:

- **Enrollment Form:** Please sign **all** areas on this form where it is indicated. Each item is very important and either provides you with information from us or provides us with information about you and your child. If something is not applicable for your child just put 'NA'.
 - **Emergency Contact:** Provide name, complete address, and telephone number for at least one emergency contact person in the area provided on the form. This is the person you would want to be responsible for the safety of your child in case you or your spouse are in an emergency situation and cannot be reached.
 - **Public School Information:** If your child will be **transported to Elementary/Middle School**, please include the name and phone number of your child's school in the area provided. Please note that additional transportation forms may be required.
 - **Physician / Hospital Information:** Include your child's physician's address and phone number.
 - **Parent Handbook:** Please be sure to sign the "Receipt of Parent Handbook" page and include it in your paperwork.
 - **Any State required forms** given to you by your Center Director.
- **Tuition Contract:** Please read the contract carefully, as this is your financial contract with us and outlines all relative fees. Ask your Center Director if you have any questions or need clarification on any part of the contract.
- **Physician's recommendation for placement in-group childcare.** This form meets ADA requirements and gives us information if the ratio for their age group is appropriate and your child is able to participate in-group care.
- **Allergy Alert:** (This form must be completed even if your child does not have allergies) If your child has an allergy or food preference, please provide complete information including symptoms to watch for, if emergency medication (ie: EpiPen) has been provided and a recent photo of your child. Your child's allergy information will be posted in both the kitchen and the classroom.

In addition, we need a copy of the following:

- **A copy of your child's current immunization record.**
- **A copy of your child's hearing & vision screening** (if 4 and older and required by local code)

Thank you so much for providing these forms to us on your first day. It will be your responsibility to keep us informed of changes to your information as it occurs. **Change of Information** forms are available at the front desk.

If you have any questions about the packet provided to you just give us a call.

Again, thank you for choosing Children's Lighthouse!

Welcome! Let us tell you about our school!

Fall Guidelines and Policies

All medicine is kept in the front office and administered by our Health and Safety Coordinator and Management at 11:30 and 3:30. Any ointment, sun screen, or medication must have parent written authorization. All prescription medication must be in the original container. Any over the counter medication must have directions with age requirements clearly labeled by the manufacturer. Medication may not be shared. The expiration date may not have expired on any item. Do not leave anything in backpacks that could be hazardous to children such as medication, hand sanitizer, lotions and sharp objects.

The school has many appropriate play materials for the children. These materials can help the children learn to share, trade, initiate activities and plan. We, therefore, request that toys not be brought from home. Toys from home can cause problems in the classroom. For instance, your child may become too fixated on it to follow directions or it may cause jealousy and fighting with other children. Also, it's easy to lose a toy in a preschool classroom, because there are so many toys. Unless your teacher specifically requests it's better to leave the toys at home. We will have a Go Home Box for the toys to stay during the day if a child needs a toy for the morning transition.

Children are required to wear shoes to protect their feet from injury and cold. "Flip-flops" are not permitted as they hamper walking and make running and climbing dangerous. Therefore, if you send your child in sandals, please make sure they have a strap across the heel and closed toes. (Tennis shoes are preferred.)

We ask that you send the children in play clothing because the activity materials may not always wash out. In anticipation of the times when clothes may get wet or soiled, we require a change of clothing to be kept in the child's personal cubby. This seems to minimize the child's distress and embarrassment if changing clothing is necessary.

Your child's name should be placed on all outdoor clothing, nap items and in the change of clothing.

All rest items should be small enough to fit in the child's cubby. The concern is primarily cross- contamination between children's items.

If your child has an incident report a notice will be on the check in Kiosk to stop by the desk.

Show & Tell, we believe that children need experience using verbal skills in a group setting. This is the main reason for Show and Tell. Show and Tell is usually scheduled every Friday. Toys for Show and Tell will be kept in the cubbies except at Sharing Time.

Breakfast is served from 6:45 to 7:30 for public schooler and 7:00 to 8:15 for our school. Please do not bring something in from the outside. It is not kind to the other children in the classroom.

Health and Safety: To minimize the spread of illness and maintain the health of all children at the school, Childrens Lighthouse trains employees on health checks if applicable to look for signs of illness. We may, if applicable, conduct health checks on the children prior to arrival or throughout the day at the school. A health check is defined as a visual or physical assessment of a child to identify potential concerns about a child's health, including signs or symptoms of illness and injury, in response to changes in the child's behavior since the last day of attendance. We will observe the child and look for signs of illness and parents will receive documentation on either the daily communication sheet or incident/accident/illness report.
