

Dear Lighthouse Families,

January was a fun filled month with our Parfait Bar, and Yoga w/ Ms. Rachel! We also thank everybody that donated a blanket for the blanket drive! Giving back is a huge part in why we are we wanted to have a school. So thank you for helping us help others!

In February, we are looking forward to our Mother/Son dance as well as our Father/Daughter Dance! We hope you can come out and have a dance with us! Both events will be on Saturdays from 3-5:00 pm. We will also have our build it workshop when you can make a car, boat, or plane. Your child can look forward to a visit from the dentist and Yoga w/ Ms. Rachel! Last but not least have your child dress up for Go Texans Day and we will be passing out BBQ Sandwiches at pick up!

February is also National Children's Health Dental Health month. Developing good habits at an early age and scheduling regular dentist visits help children get a good start on a lifetime of healthy teeth and gums. The National Institute of Dental Research recommends the following: 1. Protect your baby's teeth with fluoride. 2. Check and clean your baby's teeth. 3. Feed your baby healthy food. 4. Do not put your baby in a bed with a bottle or sippy cup. 5. Take your child to the Dentist by 1 year of age and on a regular basis thereafter.

Best Regards,

Randy & Sandy Craft/ School Owners

February

The sun rides
higher
Every Trip.
The sidewalk
shows.
Icicles drip,

A snowstorm comes,
And cars are stuck,
Through road salt flies
From the old
town truck.

The chickadees
Grow plump on
the seed
The Mother pours
Where they can feed,

And snipping, snipping
Scissors run
To cut out hearts
For everyone!
