

Young Navigator *February*

Hello Parents and friends!

February is here and we are excited to continue the fun! We have our Valentine's Day Parties, Chinese New Year and the 100th day of school to look forward to this month. Be on the look out for party sign up sheets and special projects to commemorate the events.

For the Valentine's Day Parties we will be having our class parties during lunch and we will post the sign up list for food items the week prior. We will also be exchanging Valentines! We do ask that the Valentines are store bought if you choose to bring snacks or candies and the same goes for the food items for the party as well. The Valentine exchange will occur in conjunction to the classroom parties.

We will also partake in Chinese New Year at our center this year by doing activities and having discussions about the traditions that are involved during this festive time. Talk to your child upon pick up and see all the interesting facts they learned that day!

Lastly, we will also be celebrating the 100th day of school on Thursday, February 22nd! Rooms 5-9 will be participating and we are asking parents to bring in a plain white t-shirt for the children to decorate in class. T-shirts need to be turned no later than Friday, February 9th. We will then send the t-shirts home on the 99th day of class so the children may wear them to school the following day! This is always an exciting activity for the children and they are so proud to wear their creations the following day.

We are also making preparations for the summer! You may think it's a little too early but we want to make sure that all the children's summer experiences with us here are not only fun but also educational, engaging and exciting for them. Be on the look out as we start to release some "teasers" on what we have planned for your little ones. Also, if there are activities or places that you and your child have been talking about trying or visiting, let us know and we will see if it's something we can incorporate into our classrooms' itineraries.
