Director's Corner...

Welcome to the month of LOVE! One of our favorite things about February is the chance to celebrate all of the wonderful families and friendships we are lucky enough to be connected to and that includes all of YOU! All of our classrooms will spend the month enjoying music and activities that celebrate the wonder of love! Be on the lookout for more information about class celebrations for Valentine's Day. A quick reminder that any Valentine's goodies must be candy-free and given to all children in the class, and any food that is brought in for a celebration in the classroom must be store-bought and nut-free. We appreciate all that you do to share in the special moments and holidays for the children.

With Spring Break right around the corner, we are excited to share our upcoming plans for our School-Age students. We have a week full of fun planned, to include a couple of field trips. This year we are also thrilled to invite our APK students in Rooms 9 and 10 to join the fun for our on-site activities, such as when the scientists come for Mad Science presentation! It will definitely be a Spring Break to remember! Take a look at the last page of this newsletter for all the fun details and a sneak peek at the fun we have planned.

In an effort to ensure the safety and security of children at all times, we want to share a reminder for dropping off and picking up your children each day. Please make sure that you make personal contact with your child's teacher before arriving and leaving the classroom. This allows the teachers to confirm that they are taking responsibility for your child and can add them to their current count of children. We know that these can often be busy times of day, so we appreciate the extra effort to make sure that all children are accounted for at all times!

Have a wonderful month. We hope you are surrounded by those you love! Happy Valentine's Day!

-Courtney and Marisa

ROOM 1

Hi Parents—

Welcome to February! We are so excited to celebrate all of our babies' FIRST Valentine's Day. We will be playing "Where's Baby?" with a peek-a-boo mirror box and enjoying sock puppets! We will be making a memory collage, learning about doors, windows, walls, and hallways. We are looking forward to watching our bird feeder outside the window and doing some Valentine's Day crafts.

-Ms. Teva and Mrs. Jackie

Room 2

February is here! Happy Valentine's Day to you and your family. We will be doing lots of Valentine's Day-themed art. Our color for the month is red and our shape for the month is a heart, as well as our Spanish word for the month, which is "corazon." Along with all the love-themed activities, we will be incorporating our theme for the month, which is "windows, walls, hallways, and doors." We will be having a Valentine's Day party on the 14th at 3:30 p.m. so please dress your child in red or pink!

-Mrs. Brandee and Ms. Deanna

ROOM 3

February is here and the excitement continues. This month we will be focusing on the color red and the shape of a heart. Our theme is "Windows, Walls, Doors, and Hallways". Along with our theme, we will have some exciting activities. Woohoo, Room 3 is ready to take on February.

ROOM 4

Happy February! Our theme of the month is “Bright Beautiful Sky” and our color of the month is red. Our shape is a heart and we will be doing a lot of fun activities, like making cloud art with cotton balls. We will also be doing a fun skittles rainbow activity and be making paper plate suns, so keep an eye out for all our new fun work and activities. Mark your calendars for our Valentine’s Day party on the 14th at 3:00 p.m.

ROOM 7

Fall in love with Room 7 and all the learning this month. Do you know all the modes of transportation?! We will create amazing art and do a 3-2-1 countdown to “blast off” to learn about our planet and outer space. Our letters for the month will be Uu, Ww, and Nn. We cannot wait to share our special Valentine’s Day gift with all the parents.

-Mrs. Rocio

Room 5

We are excited to start the month of love and friendship. We will be introducing the letters Uu, Nn, and Ww and spend lots of time learning about one of our favorite things—transportation! Thank you to all of our parents for your help and support.

-Ms. Jackie and Ms. Patty

Room 6

This month we will:

- Introduce Uu, Nn, and Ww
 - Use opposite words like up/down and over/under
 - Discuss colors of birds and where they live
 - Make Valentine’s Day gifts
 - Sort pink and purple
 - Practice triangles and squares
 - Discuss parts of a whole
- Ms. Armanda and Ms. Kolleen

ROOM 8

This month we will be learning about the letters Uu, Nn, and Ww. Our themes will be shadows, birds, transportation, and outer space. We will count money, make a wacky watercolor painting, measure with hearts, make craft stick airplanes, make a Valentine's Day gift for parents, count moons, make a transportation collage, and discuss story sequencing. Remember to practice handwriting with your children at home. If you need help with fun ideas for easier ways to do it, come see us! More details to come about our Friendship Party!

-Ms. Sherry and Ms. Valerie

Room 9

This month we will be focusing on birds, shadows, transportation, and outer space. Our sight words this month are "had", "is", and "you". Please continue to practice our sight words at home. We will be adding -ock and -ide to our word families in February. We will do some fun Valentine's celebrations in class, but will be saving our next party for Easter.

-Ms. Heidi, Ms. Kimberly, and Mr. Logan

ROOM 10 APK

This month, for the month of love, we will be learning about truthfulness and our new letters will be Uu, Ww, and Nn. Our new sight words are you, had, and is and our new word families are -est, -ide, and -ock. We will learn about George Washington and Abraham Lincoln and our artist for the month is Jackson Pollock. We will be sending more information about our upcoming Valentine's Day exchange. Just a reminder that on February 18th, we will be closed for Staff Development.

-Mrs. Alex

Congratulations...

Please join us in offering a huge kudos to Mr. Logan for being our Teacher of the Month for February! We have been delighted to have Mr. Logan join our team and be such a wonderful model for his students. He loves to keep everyone active and engage in fun activities and all of the children love being able to visit Mr. Logan at the end of the day! He is always willing to lend a helping hand and is the first to volunteer his talents to another teacher! We hope you join us in congratulating him on a job well done!

After Schoolers

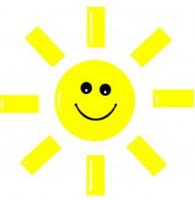

We are continuing our studies on diversity of our nation. We will be learning about what it means to be an American and what privileges we have. Many refugees are coming to the United States and will be learning what happens in different countries and what we do to help them start new lives.

-Mrs. Kelly
