Our C.A.R.E.S. for January will welcome in our Nutty scientist guest! How fun! As we explore, snow some more and magnets this guest will do live experiments and bring science and winter together! A BIG welcome to our new teachers and families. You are loved and welcomed by all! And a BIG thank you to our families and we love all the support and love you have shared with us throughout the years! Many more to come filled with learning and care.
