Our friends explored our sensory skills and played with community helpers in the sand bin. Lastly, we kicked off our holidays with a fun "Christmas Party" and enjoyed our time with our friends.

In December, we learned about dinosaurs, our 5 senses, and the Holidays. Our friends learned how dinosaur footprints leave tracks, how the word "eyes" begin with an "E", how we listen with our ears, and smell with our noses such as smelling flowers. We learned about how the holidays can be represented by symbols or objects. Room 5 is ready to learn some more in the month of January!

December was filled with Christmas cheer! We enjoyed our Christmas performance! The month's theme was dinosaurs, so they all enjoyed dinosaur stomping and learning the different types of dinosaurs. We also went over the 5 senses, so we used our hands to feel our sensory tub that was filled with orbeez and our friends used their sense of smell to smell the treats from our Christmas party. We are very excited to see what the New Year brings us!
