Happy New Year!

Young Minds. Bright Futures.

Hi Lighthouse family! We are so excited to start the New Year with all of our families! We hope you all had a fantastic and safe holiday with your family and friends! This month we have a demo class with Bach to Rock Music class. This will be for our 3's and up! As a reminder, our Rooms 5-9 have Show and Share throughout the year on Fridays! This gives them the opportunity to bring a toy from home to show their friends and also share it at designated times during the day! We will be closed on Monday, January 20th for a Professional Development Day with our staff. REMINDER: Annual Registration fee of \$200 will be coming out next week. We look forward to another awesome year with all of you!

Family of the Month!

The Dissanayake family resides in Apex, North Carolina. Ayush, the eldest son, is an energetic and curious three-year-old with a younger brother, Ayen, who is just six months old. The family also has a lively Husky "Arlow", who keeps everyone active and entertained. They cherish their time together, embracing the joy and laughter that fills their home.
